EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2027	9.83
Srimathi Sundaravalli Memorial School	Class XII (CENTRAL BOARD OF SECONDARY EDUCATION)	2019	93.20%
Srimathi Sundaravalli Memorial School	Class X (CENTRAL BOARD OF SECONDARY EDUCATION)	2017	10.00%

WORK EXPERIENCE

Analyst | Zifo RnD Solutions

*Promoted from **Associate Analyst to Analyst** based on performance within a 2-year tenure*

- Drove **project management** activities for a Phase III study post-launch, managing **5+ change requests** and coordinating timeline realignment across **3 stakeholder groups** -- study build, data management, and client
- Designed a process-improvement framework that **reduced specification standardization time by ~80%**, improving team-wide delivery efficiency; supported process documentation updates aligned with latest practices
- Served as primary **client liaison** for requirements clarification, ensuring alignment and minimizing rework
- Primary developer across **10+ studies** and quality reviewer for 2, translating requirements into system specifications
- Contributed to test script development and validation across **15+ studies**, resolving discrepancies pre-launch
- Delivered SOP training to **20+ team members** on standardized workflows and mentored **2 juniors** to competency

SCHOLASTIC ACHIEVEMENTS

Academic Excellence Award, 1st in Department (M.Tech - Medical Device Innovation), CGPA - 9.83 Aug - Dec 2025

PROJECTS

Criteo -- Experimentation, Uplift Modeling & Targeting | GitHub

- **Evaluated** randomized advertising treatment using **Python, Pandas & statistical testing**, finding a **59.45% relative conversion lift** with significant treatment effect.
- **Built** a **T-learner with Scikit-learn logistic regression**, identifying a top decile with **0.01124 vs. 0.00144 uplift**.
- **Validated** uplift targeting using **Qini analysis**, showing **7.79× higher observed uplift** among the top 10% users.

PCOS Health Analytics & Product Strategy Platform | Notion | GitHub

- **Conducted problem discovery** through clinical immersion (gynecology/endocrinology), literature review, and an exploratory user survey; defined personas, JTBD, and hypotheses on tracking behavior and adherence
- Analyzed **541** patient records in **Python** using EDA and statistical testing; built ML models (Random Forest, Logistic Regression) achieving **~90% accuracy** to identify key PCOS predictors
- **Benchmarked 5** leading PCOS/cycle-tracking apps to surface market gaps, translating insights into a product vision, MoSCoW-prioritized MVP scope, and phased roadmap

Wearable-Based Personalized Ovulation Prediction & Cycle Tracking | M.Tech Capstone | Ongoing

- Completed **clinical immersion** in gynecology and endocrinology to ground device design in patient needs
- Developing a **wearable women's health solution** for personalized ovulation prediction and cycle tracking, including

product conceptualization, validation planning, and commercialization strategy
- Conducting **market sizing, competitive benchmarking, customer segmentation, and business model analysis**, while defining validation strategy and performance metrics to evaluate product differentiation and potential

SKILLS

- **Programming & Data Analytics:** Python, SQL, MATLAB, NumPy, pandas, Scikit-learn, Excel
- **Statistics & Experimentation:** Hypothesis Testing, A/B Testing, Statistical Inference, Uplift Modeling
- **Data Visualization & BI:** Matplotlib, Seaborn, Power BI
- **Machine Learning:** Regression, Classification, Clustering, Decision Trees, Random Forest
- **Leadership & Stakeholder Management:** Stakeholder Management, Cross-functional Collaboration, Team Training

RELEVANT COURSES

Management Principles & Practices, Design Thinking, Innovation & Creativity, Biostatistics & Data Interpretation, Biodesign Thinking, Flexible & Wearable Electronics, 3D Rapid Prototyping & Modeling

CERTIFICATIONS

- **NPTEL - Entrepreneurship** | Jul-Oct 2022
- **Data Science Training Program, Krutanic Solutions Pvt. Ltd.** | Feb-Apr 2026 -- Python, Data Analysis, Data Visualization & Basic Machine Learning

POSITIONS OF RESPONSIBILITY

Placement Coordinator | Office of Career Services, IIT Hyderabad

- **Coordinating** placement activities for the department, managing scheduling and recruiter communication
- Supporting **outreach and coordination** for the consulting and management cohort, liaising with recruiters
- **Facilitating communication** between students, placement teams, and recruiters for interviews and assessments

EXTRACURRICULAR ACTIVITIES

- **Volunteer, National Service Scheme (NSS)** | 2019-2021 -- taught at local schools as part of community outreach and education initiatives
- **Organized debate events** for Instincts 2022 as a member of the English Literature Club, SSN College of Engineering
