EXPERIENCE

Amgen India | UX Design Intern

- Worked with the Procurement Data Analytics team to improve enterprise dashboards in Power BI, identifying usability gaps and simplifying how business users access and interpret procurement data.
- Led the end-to-end product design and front-end development of PrismAI, an AI-powered reporting platform, taking it from concept and user research through interface design and implementation.

Trolla Express | Product Design Intern

- Redesigned key user flows and interfaces for the logistics app, improving usability and creating a more seamless product experience.

PROJECTS

TimeOut!

- Designed a social productivity app that helps users reduce screen time through **hobbies, challenges, social accountability, and rewards**.
- Defined the product experience across **screen-time tracking, challenges, events, leaderboards, streaks, and rewards**, creating a system that encourages users to build healthier digital habits.

Break The Ice

- Designed a multiplayer networking product that uses game mechanics to help participants connect and interact at college and corporate events.
- Defined the end-to-end product experience, including QR-based onboarding, game mechanics, digital coin interactions, and participant flows.
- Developed a **pay-per-game and subscription-based business model** for event organizers.

Solving Decision Fatigue in Food Ordering - Zomato Case Study

- Researched patterns of **user frustration and choice overload** in food delivery apps.
- Designed interactive solutions including **quiz-based recommendations, swipeable menus, and gamified selection flows**.
- Created **wireframes, high-fidelity prototypes, and usability testing scenarios** to validate the redesigned ordering experience.

SKILLS

Product & UX: Product Thinking, User Journey Analysis, Product Metrics, A/B Testing, Retention Analysis, Problem Framing, Dashboard Analysis, Data Visualization, Data Storytelling, Information Architecture, Usability Testing,

Design & Tools: Power BI, Excel, Figma, Prototyping, Wireframing, Interaction Design, UI Design, Adobe Illustrator,

Adobe Photoshop

POSITIONS OF RESPONSIBILITY

Finance & Consulting Club, IITH | Design Head

- Led a design team across the club website, event branding, and digital campaigns, maintaining brand consistency across platforms.
- Managed the design team and oversaw the quality and consistency of visual and digital deliverables.

Marketing Head : Ayaam design fest, IITH

- Directed the marketing team, planning **campaign strategies and digital outreach** that significantly boosted festival visibility and student participation.
- Ensured seamless integration of design and marketing for cohesive festival branding.
