EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2027	8.29
NRM Holy Heart School	Class XII (CBSE)	2023	92.20%
Manu Vatika School	Class X (CBSE)	2021	97.00%

WORK EXPERIENCE

Accenture Strategy & Consulting | Management Consulting Intern

- **Conceptualized and shaped an AI-enabled OT security audit product** for MedTech, translating auditor pain points into an automated assessment engine and an auditor-facing interface; **reduced manual effort by 70-80%**.
- **Designed a unified product framework** by consolidating **15+ overlapping security standards across 8 jurisdictions** into **150+ standardized controls**, enabling scalable cross-jurisdictional evaluations.
- **Identified and prioritized automation opportunities** across control evaluation and audit analysis, integrating **AI-generated insights** to improve assessment consistency, reduce repetitive tasks, and accelerate auditor decision-making.

InventX 2025 | IIT Gandhinagar

- Designed and prototyped a **smart assistive bed** through **multiple iterations**, enabling safer patient repositioning.
- Engineered the system across **mechanical, electronics, and control domains**, integrating **3 subsystems** into a functional assistive solution; iteratively refined through **15+ tests** to improve usability, safety, and patient handling.
- Developed a **smart assistive bed** in a **3-member team**, translating a healthcare challenge into a functional prototype.

POSITIONS OF RESPONSIBILITY

Overall Head | THRUST | Tinkerers' Lab, IIT Hyderabad

- Led a **50-member** core team to execute THRUST, IIT Hyderabad's flagship technical innovation fest.
- **Raised 25L+ in sponsorships** from **KC Overseas, Unistring, NMDC,** and other industry partners.
- Launched **YUVAAN**, a flagship hackathon featuring a **10L+ prize pool** and **5000+ participating teams**.

Core | Placement Cell | Office of Career Services, IIT Hyderabad

- **Coordinated 20+ internship and placement drives**, liaising with companies and managing recruitment processes.
- Managed interview schedules and student coordination across multiple companies and recruitment cycles.

Core | Events & Competitions | E-Cell, IIT Hyderabad

- **Organized Fetching Fortunes**, a national pitching competition with **100+ founders and 50+ investors.**
- Managed end-to-end event operations, coordinating participants, pitches, and investor interactions.

SKILLS

Languages: SQL, Python (NumPy, Pandas, Matplotlib, Scikit-learn), C, C++

Technologies: FastAPI, REST APIs, MySQL, Redis, Kafka, Git, GitHub

Analytics & Business Tools: Microsoft Excel, Microsoft PowerPoint, Power BI, Tableau, Jira, Confluence, Notion

PROJECTS

Boosting Revenue in Urban Food Courts | Finance and Consulting Club, IIT Hyderabad

- Analyzed mall footfall data, revealing poor food court conversion among Tier 2 mall visitors despite **90% recovery**.
- Proposed QR ordering, curated menus, and seating redesign to improve food court conversions in underperforming zones.
- Planned **Bengaluru and Jaipur** launch with QR tech, vendor training, and an estimated plan budget of **Rs. 1.8 - 2.7L.**

Building a Digital Mental Health Platform for Underserved Population | E Cell, IIT Guwahati

- Identified a **150M+ healthcare gap** in India amid **80% rural treatment gaps** and **0.3 psychiatrists/100K people**
- Targeted India's **20 billion dollar** mental health space with an affordable **Rs. 50 to 250 /month** hybrid pricing model.
- Built a multilingual, low-data PWA featuring AI screening, offline CBT tools, peer forums, and tele-counseling.

ProductPulse - E-commerce Product Analytics

- **Analyzed 109.9M+ e-commerce events** across **5.3M** users, **23M** sessions, **206K+** products and **4.3K+** brands using SQL; engineered session-product funnels with CTEs and window functions.
- **Built 39+ SQL analyses in DuckDB** across funnel, product, price-band and behavioral segmentation; identified high-traffic/low-conversion opportunities and translated findings into A/B tests.
- **Built a Streamlit + Plotly interface** for SQL-backed product insights and recommendations.

SCHOLASTIC ACHIEVEMENTS

- **Provisional patent** applications filed in **India and the USA** for a smart assistive bed
- **State Rank 6** in **NSEA (National Standard Examination in Astronomy), 2022**, among students across the state
- **40,000 BUILD Grant** awarded by **IIT Hyderabad** to support development of an innovative engineering project
- **Third Best Invention Award** at **InventX 2025, IIT Gandhinagar** for the **Smart Assistive Bed**
- **2nd Place** at the **AVEVA Hackathon** for developing an innovative solution to a real-world challenge
- **3rd Place** at the **Vivriti Capital Hackathon** for developing a data-driven solution to a financial-services challenge

EXTRACURRICULAR

- Represented IIT Hyderabad in Dramatics at the **Inter IIT Cultural Meet 2024**, showcasing teamwork.
- Organized **XMUN at IIT Hyderabad**, managing logistics and delegate coordination for a successful MUN event.
- Active member of **NSS IIT Hyderabad**, contributing to community service and social outreach initiatives.
- Member of **NSO Athletics** at IIT Hyderabad, participating in training and competitions.
