EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2027	9.26
KhelGaon Public School, Prayagraj	Class XII (CBSE)	20200	74.00%
Jawahar Navodaya Vidyalaya, Satna	Class X (CBSE)	2018	90.00%

SCHOLASTIC ACHIEVEMENTS

- **Top 20% Academic Standing - IIT Hyderabad:** Officially certified by the Head of the Department, Department of Design, as being among the top 20% of students in the previous year of the M.Des programme.
- **University Gold Medalist - B.Des, AKTU:** Recognised for academic excellence at UP Institute of Design.
- **Merit Scholar / Top Graduate of Cohort:** UP Institute of Design.
- **National Finalist - Toycathon 2021:** Ministry of Education's Innovation Cell, Government of India; developed an educational game concept in the "Occupations & Specific Fields" category.
- **Patent Filed - LINK:** Educational game concept combining paper circuits and dot-to-dot puzzles for tactile and cognitive learning.
- **UI/UX Designathon - Amity University, 2023:** Participated in a 10-hour design challenge focused on problem-solving, prototyping, and design execution.

POSITIONS OF RESPONSIBILITY

Teaching Assistant - Interaction Design / Design Research

Department of Design, IIT Hyderabad | August 2025-Present

- Support academic activities in interaction design and design research, strengthening analytical thinking, communication, and collaborative learning.

Design Research Intern - Sustainability

L&T (Larsen & Toubro) | June-July 2026

- Investigated stakeholder needs, sustainability challenges, and circular-economy opportunities.
- Translated research findings into strategic proposals connecting organisational objectives with community-centred interventions.

Strategy & Interaction Design Intern

Centre of Design Excellence (CoDE), IIT Hyderabad | February-April 2026

- Translated research findings and stakeholder requirements into feasible product and experience solutions.
- Collaborated with faculty, technical teams, and external partners across research-driven initiatives.

Sponsorship & Finance Head -- AYAAM 2026

IIT Hyderabad

- Led sponsorship and financial coordination, supporting industry engagement and cross-functional event planning.

Designer Manager -- E-Cell, IIT Hyderabad

- Contributed to design coordination and collaboration within an entrepreneurial ecosystem.

Sponsorship & Finance Team - ServDes 2025

9th International Service Design Conference, IIT Hyderabad

- Contributed to sponsorship strategy and industry coordination for an international service design conference.

SKILLS

Problem Solving & Strategic Thinking

Systems Thinking, Problem Framing, Root-Cause Exploration, Requirements Analysis, Competitive Analysis, Opportunity Identification, Strategic Design

Research & Analysis

Stakeholder Research, User Research, Contextual Inquiry, Thematic Analysis, Affinity Mapping, Journey Mapping, Information Architecture, Data Visualisation

Digital Technology & AI

Human-Centred AI, AI-Assisted Design, Agentic UX, Digital Product Development, B2B SaaS Concepts, Interaction Architecture, Rapid Prototyping, HTML/CSS Fundamentals

Project & Stakeholder Management

Cross-Functional Collaboration, Stakeholder Management, Client Communication, Project Coordination, Workshop Facilitation, Presentation, Research Storytelling

Tools

Figma, Miro, Microsoft Office, Google Analytics, HTML/CSS, ChatGPT, Claude, Gemini, Notion AI, Framer AI

RELEVANT COURSES

M.Des - IIT Hyderabad

- Design Research Methodology
- Data & Information Visualization
- AI-Enabled Interaction Design
- Design Management
- Strategic Design
- Service Design
- Participatory Design

B.Des - UP Institute of Design

- Design Research Methodology
- Cognitive Psychology
- Industrial Design
- Product Design
- Ergonomics & Anthropometry
- Communication Design

PROJECTS

01. HYUNDAI EV DESIGN - FUTURE MOBILITY STRATEGY

Systems Thinking | *Digital Ecosystems* | *Experience Strategy*

- Explored EV adoption challenges beyond vehicle design, including charging behaviour, trust, range anxiety, and everyday mobility routines.
- Analysed relationships between users, charging infrastructure, and digital touchpoints to identify opportunities for improved mobility experiences.

02. ASCEND SUSTAINABILITY - CIRCULAR ECONOMY SYSTEM

Systems Design | *Sustainability* | *Behaviour Change*

- Developed a community-based wet-waste management concept integrating household participation, composting, impact visibility, and community accountability.
- Examined behavioural and operational gaps in waste management and proposed a connected system to support sustainable practices.

03. MIND-BODY SYNC - INTEGRATED WELLBEING PLATFORM

AI-Integrated Design | *Digital Platforms* | *Behavioural Systems*

- Designed a wellbeing platform connecting physical activity, emotional health, and nutrition through a unified digital experience.
- Explored a holistic wellbeing score, adaptive feedback, and community features to support sustained engagement.

04. CARRIANCE - CAREER EXPLORATION PLATFORM

Decision Support | *Behavioural Design* | *Product Strategy*

- Designed a career-guidance concept addressing decision paralysis through identity exploration, mentorship, and structured career pathways.
- Translated behavioural insights into a guided digital experience intended to help users navigate complex career decisions.

05. AHAM BRAHMASMI - CIVIC BEHAVIOUR SYSTEM

Behavioural Systems | *Strategic Design* | *Cultural Context*

- Explored a culturally grounded approach to civic responsibility, connecting identity, everyday actions, and public behaviour.
- Developed a system concept using behavioural motivations and cultural narratives to encourage civic participation.

EXTRACURRICULAR

- **Sponsorship & Finance Team - India HCI 2026:** Institutional and industry engagement within the human-computer interaction community.
- **Sponsorship & Finance Team - ServDes 2025:** Supported coordination for an international service design conference.
- **UI/UX Designathon - Amity University, 2023:** Participated in an intensive collaborative design challenge.
- **House Captain - Jawahar Navodaya Vidyalaya, Satna:** Early leadership experience involving student coordination and responsibility.

- **Interests:** Chess, psychology and human behaviour, swimming, and athletics.
