EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2027	9.19
Scholars' Home Public School	Class XII (M.P. Board)	2017	87.60%
Scholars' Home Public School	Class X (M.P. Board)	2015	89.90%

ABOUT ME

I'm a **Product Designer** with a strong **Visual and UX Design sensibility**. I design for clarity and usability -- visually and experientially. My practice runs from user research, prototyping and implementation -- grounded in 4+ years of software engineering experience that shapes how I think about systems and feasibility. I'm drawn to complex problems to work through research and visual craft implementation.

Currently pursuing M.Des. in Visual Communication Design at IIT Hyderabad.
