EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2027	8.80
CHIREC International	Class XII (CBSE)	2023	95.60%
CHIREC International	Class X (CBSE)	2021	97.00%

WORK EXPERIENCE

Senior Product Analyst Intern | Media.net

- Mapped the as-is video testing workflow, identified 4 bottlenecks and defined the to-be process,functional requirements and workflow improvements for **Creative Studio**, an internal tool automating multi-upload, compliance checks & A/B testing; cut testing effort by **60%** across 3 teams.
- Designed and analysed **5+ A/B experiments** on Meta ads, using CTR, CPC and conversion data to identify revenue drivers and recommend rollout; the winning changes drove a **30% revenue uplift on A360 over 4 months.**
- Unlocked **$12K+ profit** by analysing user and performance data to identify a scalable business opportunity, **build the business case**, validate it through experimentation and translate findings into recommendations.
- Reduced analysis time from **~3 hours to 5 minutes** by redesigning the reporting workflow using **SQL and n8n automation**, enabling scalable decision-making across performance, profitability and campaign health.
- Developed an **AI experimentation framework and LLM prompt taxonomy**, assessing creative-performance patterns and translating findings into **structured recommendations for AI-enabled decision-making**.

Sustainability Consulting Intern | Resustainability

- Led a 3-person team in an **ESG and operational gap** assessment across 3 plants, **identified current-state gaps**, synthesised findings into a deck and presented prioritised recommendations to stakeholders.
- Identified key compliance and operational risks and **presented actionable recommendations to stakeholders**, supporting policy and process improvement decisions.

Business Development Team Lead | Mandi Hub

- Led a 6-member team to develop **Go-to-Market strategy** & growth recommendations through product-cycle and pricing analysis, while building partnerships with KVKs, government agencies and NGOs to create **scalable growth and distribution channels**.

PROJECTS

Customer & Revenue Insights Dashboard | link

- Built an end-to-end business insights dashboard using **SQL, Excel and Power BI** to analyse 500+ orders across **revenue, customer segments, profitability and geographic performance**, supporting data-driven business decisions.
- Translated customer and revenue data into **actionable business insights**, identifying a **31.85% repeat rate** and priority cities/categories to inform **growth and customer strategy**.

Agentic Customer Retention Engine | link

- Built a **5-agent AI decision engine** in n8n to convert telecom churn signals into personalised retention actions, orchestrating LLM-based churn diagnosis, customer pain-point analysis and intervention generation; implemented structured JSON validation and **business-rule guardrails** to ensure reliable, constraint-aware recommendations.

Dr.DB, AI-Assisted PostgreSQL Optimiser | Product Space Hackathon | link

- **Built an AI-assisted PostgreSQL optimisation tool** integrating SQLGlot-based query analysis, deterministic Query Health scoring and LLMgenerated query/index recommendations through an interactive Streamlit application.
- Established trust in AI-generated recommendations by **validating LLM output for syntax and schema consistency**, scoring expected impact with a **deterministic heuristic** instead of LLM claims.

Research Paper on Strategic & Competitive Advantage | Dept of EM, IITH

- Authoring research on **strategic and competitive advantage in Indian technology startups**, synthesising case studies and secondary research across **market orientation, capabilities and competitive positioning**.

Portfolio: Further projects, case decks, and experience overview | View Portfolio

POSITIONS OF RESPONSIBILITY

Coordinator, Finance | Finance and Consulting Club, IITH

- Led the finance team for **Horizon**, FCC'S flagship event, coordinating across design, PR & finance teams for on-time execution.
- Increased session **turnout by 35%** by co-organising the **Million Dollar panel** and the **Stock Market Simulation challenge**.
- Co-authored a **personal Finance E-book** and organized **investing awareness talks**

Head, Public Relations & Networking | Media Council, IITH

- Led a **6-member PR & Networking team**, restructuring workflows and rebranding the **Media Council as a unified campus media body** while launching **3+ initiatives** across student outreach, digital engagement and cross-department coverage to strengthen institute-wide visibility.

Overall Head | Books and Movies Club, IITH

- Led campus-wide community engagement initiatives, organising **Seven Pages**, a reading drive, alongside **movie screenings and co-hosted game nights** to foster student participation and cultural engagement.

EXTRACURRICULARS

- **MEMBER | MENSA International** - top 1% globally by IQ
- **Runner-up at FCC Campus Case Challenge** - Case Competition
- **ShubhhKarya.com** - Entrepreneurial Initiative
- **SAT**- 1440/1600 (98th percentile)
- **Finlatics Stock Market Analyst Project** - Built and analysed a Virtual Portfolio
- **Community Service | Akshaya Patra** - Organised drives

SKILLS

Strategy & Business Analysis, Problem Solving, SQL, Excel, Power BI, Python, AI/GenAI, Process & User Journey Analysis, Experimentation, Dashboarding, GTM Strategy, Stakeholder Management, Cross-Functional Collaboration, Basic French, PowerPoint, Requirements Analysis, Process Mapping, Business Case Development
