WORK EXPERIENCE

Intern - Microsoft

- Identified org-wide PR visibility gaps; built a **Kusto + Power BI** dashboard tracking **10+ KPIs** across **5+ repositories**
- Diagnosed **~20% data loss** in API pipelines and implemented retries, identity resolution, improving data accuracy to **99%**
- Defined **PR lifecycle metrics** (cycle time, review lag, etc.) identifying workflow bottlenecks. Enhanced a Copilot skill to classify **10K+ PR review comments** into predefined rubrics, identifying **54% of comments** as candidates for automation.
- Analyzed **10K+** historical PR review threads identifying recurring issues and refine ***/review*** guidelines, improving AI-assisted code reviews across **7+ teams**.

Teaching Assistant | Introduction to Progamming

- Addressed recurring coding doubts for **600+ students** through weekly sessions and assignment evaluation.

POSITIONS OF RESPONSIBILITY

Placement Coordinator, OCS

- Represented internship interests of **500+** students, collaborating with recruiters to attract **role-aligned hiring partners**.
- Coordinated recruiters, students & placement teams ensuring **stakeholder communication**.

Head Internship Coordinator, OCS

- Led an **8-member** team pitching to **20+** firms; onboarded **5+** new recruiters, raising offers by **20%** YoY

Speaker Curator, Extra Mural Lectures

- Secured **7+** speakers from **40+** prospects, hosted **Lt. Gen. K.J.S. Dhillon, Padma Shri Dr. Kiran Seth, Dr. H.C. Verma**
- Led a **20+** member team, drawing and engaging **1500+** attendees

Inbound Buddy, International Relations Cell

- Supported **15+ exchange students** from **3+** countries, resolving **20+** academic and personal concerns within 48 hrs

PROJECTS

Shopping Cart System with Discount Engine

- Identified suboptimal discount stacking; built a **max-heap** engine picking the best offer, raising savings by **18%**
- Migrated flat files to a **normalized SQL schema** with **atomic checkou**t, achieving **100% inventory consistency**
- Logged **1K+** transactions to analyze basket size and discount uptake, surfacing **top 3** revenue-driving offers

News Category Classifier

- Tackled manual sorting of **18K+** news articles; built a **TF-IDF** classifier auto-tagging **20** categories at **85%** accuracy

- Benchmarked 3 models (**LR, Naive Bayes, Decision Tree**); chose Logistic Regression, beating Decision Tree by **25%**
- Diagnosed misclassification in overlapping topics via **confusion matrices**, cutting top-3 category confusion by **15%**
- Built comparative visual reports on **precision, recall and F1** across 20 classes to guide model selection in 1 view

Power Trading Analytics & Forecasting

- Addressed day-ahead price uncertainty; built an **XGBoost** model forecasting MCP across **96 15-min intervals**
- Engineered **10+ features** from bids, volumes and weather data into a **96-step** recursive forecast pipeline
- Captured both daily price spikes **(2K-10K/MWh range)**, achieving MAE of **1.4K/MWh** on actual vs. predicted
- Built a Flask dashboard with **CSV upload** and **7 KPIs** (RMSE, MAE, MAPE, peak/low), enabling faster bid decisions

SKILLS

Programming Skills: Python (Pandas, NumPy, Scikit-Learn, Matplotlib, Seaborn), SQL, HTML, C/C++, DBMS, OOPS

Analytics/ Design: Power BI, Tableau, Excel, Mixpanel, Figma, Notion, Trello, Kusto

Machine Learning: NLP, Random Forest, Gradient Boosting, Logistic Regression

SCHOLASTIC ACHIEVEMENTS

Academic Excellence Awardee

- Awarded for outstanding academic performance in Jan-April 2024 & July-Dec 2024 semesters at IIT Hyderabad

MH-CET

- Scored **99.69** percentile in State Common Entrance Test for Engineering admission (Maharashtra)

MSCE Scholarship Awardee (8th to 10th standard)

- Secured scholarship from the State Govt. of Maharashtra to meritorious students for academic talent at secondary level

Middle School Academic Achievements

- Consistently secured Gold & Silver medals in exams conducted by NSO & IMO

RELEVANT COURSES

Programming: Introduction to Programming, Data Structures Applications, Algorithms & Data Structures Lab, Artificial Intelligence, Introduction to Embedded Systems, Foundations of Natural Intelligence

Mathematics & Data Science: Calculus, Linear Algebra, Differential Equations, Probability & Random Variables, Statistics, Complex Variables, Transform Techniques, Mathematical Modelling

EXTRACURRICULARS

- Represented IITH in Table Tennis at **Inter IIT** Sports Meet '25 against **21+** IITs
- **Won Gold** in Powerlifting among **23+** hostels: 100kg deadlift, 85kg squat at 60kg bodyweight
- Represented school in Basketball across **30+ inter-school** competitions
