EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2027	9.36
St Mary's Academy	Class XII (Central Board of Secondary Education)	2019	86.40%
St Mary's Academy	Class X (Central Board of Secondary Education)	2017	9.20%

PROJECTS

KPI Storytelling Engine | Python, Pandas, Scikit-learn, Ollama, Streamlit

- Developed a tool to detect unusual changes in daily revenue by comparing actual values with the expected revenue for the same weekday across previous weeks.
- Analyzed revenue changes across regions, products, and channels to identify the segments contributing most to the overall change.
- Used a local LLM with TF-IDF-based retrieval to generate concise explanations from relevant business notes, with automated checks to validate the generated numbers and citations.

Document Q&A Assistant using RAG | Python, LangChain, FAISS, Ollama, Streamlit

- Built a Retrieval-Augmented Generation application for question answering over PDF documents using semantic retrieval.
- Implemented document chunking, embedding generation and FAISS-based vector search to retrieve relevant context for LLM responses.
- Developed a Streamlit interface for document upload and natural-language querying with source-grounded responses.
- Added retrieval validation to return a fallback response when relevant information is unavailable in the knowledge base.

Movie Review Analytics & Sentiment Prediction | Python, SQL, NLP, Tableau, Scikit-learn

- Analyzed 49K+ movie reviews, performing data cleaning, exploratory analysis, text preprocessing, and sentiment-based behavioral analysis.
- Applied TF-IDF feature engineering and compared Logistic Regression and SVM models using cross-validation and precision, recall, F1-score, and ROC-AUC.
- Built an interactive Tableau dashboard to analyze sentiment distribution and Deployed the final sentiment classification model using Streamlit, enabling real-time review prediction

POSITIONS OF RESPONSIBILITY

Head Placement Coordinator |Biomedical Engineering| IIT Hyderabad

- Part of the Core Placement Team of IIT Hyderabad, coordinating with students, recruiters, and OCS.
- Managing placement activities, including recruiter communication, interview schedules, student coordination.
- Coordinating Japan Day, Career Connect, and Nagoya Day, handling company interactions, event arrangements, and on-campus recruitment activities.

Coordinator | Prayas Club, IIT Hyderabad

- Taught and mentored school students, helping them with their academic learning and engaging them through classroom activities
- Coordinated students during campus visits, guiding them through activities and introducing them to the campus

Event Management Member | Institute Innovation Council, Panjab University

- Managed event arrangements and logistics for invited speakers, coordinating communication and on-ground requirements
- Organized quizzes, poster competitions, and other activities to promote student participation in innovation.

PROFESSIONAL DEVELOPMENT

McKinsey.org Forward Program | Accepted Participant

- Selected for a 10-week professional development program covering structured problem-solving, effective communication, adaptability, and relationship building.
- Program curriculum includes Digital & AI Essentials, focusing on digital and AI literacy and their application to workplace challenges.

SKILLS & RELEVANT COURSES

- **Relevant Coursework:** Machine Learning & Its Applications, Statistical Inference
- **Programming & Data:** Python, OOPs, DSA, SQL, Excel, Pandas, NumPy, EDA, Statistical Analysis, KPI Analysis
- **AI/ML & GenAI:** Machine Learning, Deep Learning, CNN, Transfer Learning, LLMs, RAG, NLP, Prompt Engineering, LangChain, Embeddings, Vector Databases, Semantic Search, Model Evaluation
- **AI Engineering & BI:** Streamlit, Git/GitHub, Power BI, Tableau, DAX, Matplotlib, Dashboard Development, Data Storytelling
- **Core Competencies:** Problem Solving, Analytical Thinking, Research, Communication, Leadership, Team Collaboration

EXTRACURRICULAR

- **Athletics:** Secured medals in athletics and actively participated in various sports events.
- **Social Outreach:** Participated in 2 NSS Camps and volunteered to teach students in rural areas.
- **Campus & Competitions:** Actively participated in Milan Fest, hackathons, and quizzes, demonstrating teamwork and problem-solving skills.

HOBBIES & INTEREST

Badminton, Dance, Standup comedy
