EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2027	8.39
HARVEST PUBLIC SCHOOL	Class XII (CBSE)	2023	93.40%
HAVEST PUBLIC SCHOOL	Class X (CBSE)	2021	97.40%

POSITIONS OF RESPONSIBILITY

- **Public Relations Head at EBSB**

-Led content strategy and curated promotional material for club communications, strengthening consistent messaging and visibility for events across campus.

-Managed on-ground execution and logistics during events.

- **Core Member at Taal Tarang, The Shuffle Crew**

-Choreographed and directed classical dance performances for institute-level events.

-Led practice sessions to guide members on technique and performance preparation.

- **Core member at Books and Movies Club,LitSoc**

-Conducted recurring reading and discussion sessions, fostering consistent member engagement with the club's literary focus.

-Designed and hosted interactive games and quizzes for club events, adding an engagement layer to standard sessions.

SKILLS

Languages: C, C++, Python

Libraries: Numpy, Pandas, Matplotlib, Sci-kit learn

Developer Tools: VS Code, Jupyter Notebook, Google Collab, Git

PROJECTS

- **PINNs & Fourier Neural Operators for Holography**

-Developing Physics-Informed Neural Networks (PINNs) and Fourier Neural Operators (FNOs) in PyTorch to model wave propagation for holographic reconstruction as an alternative to traditional numerical solvers.

-Implementing a neural-operator pipeline -- data generation, PDE-constrained loss design, training and evaluation -- to approximate optical wave physics.

-Exploring spectral convolution architectures (FNO) alongside physics-informed loss formulations (PINNs) to compare tractability and accuracy for holographic simulation.

RELEVANT COURSES

Mathematics and Programming: Calculus, Linear Algebra, Differential Equations, Introduction to Programming.

AI/ML: Fundamentals of Scientific Computing, Computational Methods in Material Science.

EXTRACURRICULAR

- Volunteered at the Indian Institute of Metals (IIM) Annual Conference, hosted by IIT Hyderabad in December 2025
- Performed in a classical dance event organized by Mayuri Arts, Hyderabad, entered into the Platinum Book of World Records
- Performed classical dance at institute-level academic conferences and at Japan Day, organized by the Suzuki Innovation Centre (SIC), IIT Hyderabad
- Volunteer, National Service Scheme (NSS), IIT Hyderabad
