Design Thinking, Innovation Management, Business Strategy, Venture Finance, Project Management, B2B Marketing, Negotiation, Strategic Management

RELEVANT COURSES

Techno-Entrepreneurship - IIT Hyderabad

Innovation Management, Game Theory for Startups, Decision Modelling, Accounting & Finance for Entrepreneurs, Foundations of Techno-Entrepreneurship, Entrepreneurial Marketing, Venture Finance, Intellectual Property Rights

Data Science - IIT Madras

Machine Learning, Deep Learning, Computational Thinking, Data Structures, Business Analytics

Engineering Physics - IIT Guwahati

Quantum Mechanics, Electrodynamics, Solid State Physics, Semiconductor Physics, Materials Science, Smart Materials, Nanoelectronics, Electronic Devices, Computational Physics, Experimental Physics

Additional Certified Learning

Design Thinking, Strategic Management, Business Strategy, B2B Marketing, Project Management, Legal Compliance for Startups, Behavioural Finance

PROJECTS

TempEase - Smart Fever Management System | IIT Hyderabad BUILD

- Developed a reusable smart-textile concept for fever management using prolonged evaporative cooling, with emphasis on comfort, affordability and reusability.
- Conducted user need-want-demand analysis, feasibility assessment and early-stage prototyping for household and clinical applications.

Nucleus Bio-Satellite Project | IIT Guwahati

- Conducted experiments on **Tardigrades and Rotifers** under simulated microgravity conditions and developed protocols for 50+ biological samples.
- Worked on payload design, biological experimentation protocols and interpretation of space-biology data.

EXTRACURRICULAR

Entrepreneurship & Innovation

- Incubator Development Program, IIT Hyderabad - 2025
- Innovation & Entrepreneurship, IIT Madras - 2024
- Introduction to Practical Entrepreneurship - NPTEL+
- Innovating
- Establishing
- Strategizing
- Leading
- Growing

Design & Innovation

- Design Thinking Specialization - University of Virginia
- Karmic Design Thinking - NPTEL+
