EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2027	7.31
Sri Chaitanya	Class XII (tsbie)	2023	95.80%
S R DIGI SCHOOL	Class X (SSC)	2021	10.00%

WORK EXPERIENCE

Westa Crop India Private Limited

Summer Intern - Founder's Office | May 2026 - July 2026

Worked closely with the Founder's Office on business, strategic, and operational initiatives through research and analysis.

Supported project execution, strategic decision-making, and coordination of assigned tasks.

- **Business research and analysis:** Conducted research on assigned business topics and analyzed relevant information to support ongoing projects. Provided research inputs that helped the Founder's Office understand business considerations and make informed decisions.
- **Strategic decision support:** Assisted the Founder's Office with strategic initiatives by contributing research and analytical inputs related to assigned priorities. Supported activities that connected business information with the requirements of ongoing company initiatives.
- **Business project execution:** Contributed to various business projects by assisting with assigned activities and supporting their execution. Worked closely with the Founder's Office to understand project requirements and carry out responsibilities aligned with those requirements.
- **Operational support:** Assisted with operational initiatives and related tasks, contributing to the company's ongoing work. Adapted to different responsibilities and supported business needs across the areas assigned during the internship.
- **Task coordination:** Coordinated assigned tasks in support of business, strategic, and operational projects. Maintained a responsible approach to handling work and collaborated with the Founder's Office throughout the execution of internship responsibilities.

PROJECTS

Meeting Minutes Generator & Information Retrieval Agent

Python, Hugging Face, LoRA Fine-tuning, Whisper ASR, FAISS, Sentence Embeddings, Streamlit

- Built an end-to-end AI system that transforms meeting audio into structured, searchable minutes and supports Q&A over transcripts.
- Used Whisper ASR for multilingual transcription; fine-tuned FLAN-T5 with LoRA adapters to generate concise, context rich summaries.
- Extracted sentence embeddings (Hugging Face models) and stored them in a FAISS vector index for fast semantic retrieval.
- Designed a RAG-style workflow where user queries are matched against stored embeddings to return relevant context with precise answers.
- Deployed a simple Streamlit interface for live transcription, minutes generation, and interactive Q&A.

WebSage | JavaScript, Chrome MV3, Node.js, Gemini API, Render

- Developed an AI-powered Chrome extension for webpage summarization, explanation, and intelligent hints
- Integrated the Google Gemini API through a Node.js backend for AI-powered content processing
- Implemented dynamic content extraction across GitHub, LeetCode, and YouTube
- Deployed the backend on Render with environment-based configuration and production API handling
- Built request handling with caching and error-retry logic to reduce API costs and improve response reliability under repeated queries

Healthy Snack Shop Feasibility Study | Market Research, Survey Analysis

Designed and administered a structured survey to 34 students to assess the feasibility of a campus healthy snack shop. Analyzed consumer preferences, price sensitivity, and purchase drivers, finding 68% purchase intent and 88% anticipated weekly visitation. Recommended pricing and product strategies aligned with student preferences and affordability concerns.

POSITIONS OF RESPONSIBILITY

- **Events Head, MILAN (Annual Cultural Fest)** -- Led end-to-end planning and execution of flagship cultural events, aligning cross-functional teams, timelines, and on-ground operations to ensure seamless delivery.
- **Events Coordinator, Inter-IIT Events** -- Managed logistics, scheduling, and participant coordination for large-scale inter-collegiate events, resolving operational challenges and keeping execution on track.
- **Multimedia Coordinator, Media Council** -- Led multimedia content creation, promotional campaigns, and event coverage in collaboration with design and technology teams, strengthening outreach and audience engagement.

SKILLS

Technical Skills: Market Research, Consumer Behavior Analysis, Price Sensitivity Analysis, Feasibility Studies, Strategic Research, Project Coordination

- Data & Analytics: SQL, PostgreSQL, Microsoft Excel, Survey Analysis, Exploratory Data Analysis, Data Cleaning
- AI & Development: Python, C, C++, FastAPI, LangChain, Gemini API
- Tools & Platforms: Git, GitHub, Docker, Jupyter Notebook, Google Colab, VS Code

Professional Skills:

- Leadership, Time Management, Problem Solving, Crisis Management, Negotiation, Communication

EXTRACURRICULAR

- **Sports:** Gold -- Hockey, Kho-Kho, Volleyball, Cricket; Silver -- Kabaddi (Milan Fest / Diesta Fest / EBSB)
- **Creative:** Bronze -- Reel Making Competition (Diesta); Active participant, BTL Reel Making Competition
