EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2027	7.54
New Vision Junior College	Class XII (Telangana State Board Of Intermediate Education)	2023	94.80%
Harvest Public School	Class X (Central Board Of Secondary Education)	2021	90.60%

WORK EXPERIENCE

Business Development Intern, Quick Verse *(Mar 2025 - Jul 2025)*

- Led the expansion of Quick Verse's operations at IIT Hyderabad by negotiating and securing partnerships with 10+ vendors for food and essential goods delivery.
- Recruited and managed a team of delivery partners to ensure efficient last-mile delivery tailored to student needs within the campus.
- Oversaw day-to-day business operations including marketing, logistics, and vendor coordination to strengthen and scale Quick Verse's presence in a competitive college environment.

PROJECTS

Smartstock-Machine Learning-Based Stock Price Forecasting [Self-project]

- Built an LSTM-based model to forecast stock prices using historical time-series data.
- Implemented data preprocessing, feature engineering, and model tuning using Python (pandas, scikit-learn, Keras).
- Evaluated model performance with RMSE and visualised predicted vs. actual trends.

Job Postings Facts - Data Analytics Project [Self-project]

- Designed and built a PostgreSQL schema (company_dim, skills_dim, job_postings_fact, skills_job_dim) to ingest model job-posting data using idempotent SQL scripts and structured CSV datasets.
- Developed analytical SQL queries to identify top-paying roles, in-demand skills, and optimal skill combinations;extracting insights on job-market trends, skill frequency, and compensation distribution.

Mental Health Score Predictor-Machine Learning-Based Score Prediction [Self-project]

- Built a Random Forest-based model to predict student mental health scores using behavioral and demographic data.
- Implemented data preprocessing, feature engineering, and model tuning using Python (pandas, scikit-learn, joblib).
- Evaluated model performance with R^2 score and deployed an interactive FastAPI web application for real-time predictions.

TECHNICAL SKILLS

- **Languages**: Python (NumPy, Pandas, Scikit-learn, TensorFlow, Keras), C, C++, SQL, Power BI, Tableau
- **Tools:** Jupyter Notebook, LaTeX, VS Code, GitHub, PostgreSQL, Excel
- **MOOCs:** Financial Markets, Financial Analyst Course, Data Visualization in Excel

RELEVANT COURSES

- **Computer Science and AI:** Introduction to Programming, Artificial Intelligence, R and Python
- **Mathematics:** Calculus I, Calculus II, Elementary Linear Algebra, Differential Equations, Probability and Random Variables
- **Economics:** Introductory Economics,Finance For Engineers
- **Core:** Basic Bioinformatics, Next Generation Sequencing, Biostatistics, Biochemical Engineering
- **Soft Skills:** Introduction to Entrepreneurship, Communication Skills

POSITIONS OF RESPONSIBILITY

Marketing Coordinator, Cultural Council [IIT-HYD]

- Coordinated and executed marketing strategies to promote cultural events and initiatives, enhancing student engagement and visibility across campus.

Events Coordinator, Otaku Club [IIT-HYD]

- Organised and managed anime-themed events and community activities, fostering a vibrant and inclusive space for enthusiasts across campus.

Publicity Deputy Coordinator, Elan & Vision [IIT-HYD]

- Assisted in strategising and executing publicity campaigns for IIT Hyderabad's annual techno-cultural fest, driving outreach and audience engagement across digital and on-ground platforms.

EXTRACURRICULAR ACTIVITIES

- Awarded Distinction in Trinity ISE I English Examination, certified by Trinity College London, attesting to strong proficiency in reading, writing, speaking, and listening skills.
- Certified funded trader on proprietary trading platforms, reflecting a strong interest in financial markets and demonstrating proven skills in trading strategy, risk management, and market analysis.
- Achieved 349th rank out of 10,000 traders in the NinjaTrader Arena Qualifier 3 and successfully qualified for the Grand Finale.
- Developed intermediate-level expertise in video editing, with proficiency in industry-standard tools such as Adobe Premiere Pro and CapCut.
