EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	9.55
Sri Chaitanya	Class XII (Telangana Board of Intermediate Education)	2024	97.90%
Unicent School, Bachupally	Class X (CBSE)	2022	99.20%

WORK EXPERIENCE

Research Intern | Chemistry Laboratory, IIT Hyderabad (07/25-11/25)

- Reviewed and benchmarked laboratory safety manuals from IITs and other leading institutions to develop a standardized **Chemical Laboratory Safety Manual** for IIT Hyderabad.
- Researched chemical safety protocols, hazard management practices, and standard operating procedures, compiling institute wide technical documentation in collaboration with the Institute Safety Committee.

SCHOLASTIC ACHIEVEMENTS

- **Academic Excellence award** winner for having department **highest CGPA** in academic year 2025-26
- **Solved 300+ LeetCode problems** across Data Structures and Algorithms.
- Achieved a rank of **3091** among **13,000+** participants in **IICPC codefest** 2026 (India's premier industry backed algorithmic programming contest)
- **100% score** in **Class XII** in Maths, Physics and Chemistry
- **School Topper in Class X** with 100% marks in Maths, Science and Social
- Won **1st Prize** and INR 10000 in **Case Study competition** at Elan Tech Summit-26 at IIT Hyderabad
- Participated in **PNB Hackathon**,2025 for building a **malware detection system,** reached till the **final round**.

PROJECTS

House Price Prediction (ML) | Project Link

- Built **regression models (XGBoost, Random Forest)** on the **Ames Housing dataset** with **79 features**.
- Achieved validation **Log RMSE of ~0.12** after feature engineering and model tuning.
- Performed **feature engineering, missing value handling, and model comparison**.

Open-Source Contributions | Electric Vehicle Cost , AlgoLab

- Submitted two **pull requests** to open source **GitHub** repositories (**AlgoLab** and **Prediction of electric vehicle cost** using ML model)
- Contributed regression utilities using **scikit learn**, collaborated through **Git based pull requests** and **code reviews.**

Waste Collection Route Optimization | GHMC Case Study

- Developed a **cost based routing** framework for municipal waste collection by **integrating Haversine distance** calculations, zoning constraints, and vehicle capacity optimization.
- **Processed and cleaned large municipal datasets**, formulated an operational cost model, and **proposed scalable routing strategies** to reduce travel distance and fuel consumption

Scalable Community Renewable Energy Solution | Case Study

- Researched energy consumption patterns, renewable adoption trends, and government reports to **design a scalable community solar solution** for Sangareddy, Telangana.
- **Benchmarked technical feasibility, cost, and implementation roadmap** by **analyzing public datasets** and policy documents to **propose** a **practical clean energy deployment model.**

Consulting | Consulting

- Developed data driven solutions for **renewable energy, airline profitability, and product engagement** through consulting case competitions.

CERTIFICATIONS

- **AIML** - Machine learning specialization | Coursera || AI Upskilling Certificate | Qualcomm Academy
- **Quantitative Finance** - summer of quant elementary | IIT KGP
- **Consulting** - Certificate of Merit: Winter Consulting | IIT Guwahati
- **Upskilling launchpad** - Google student upskilling launchpad | Google
- **DSA** - Certificate of Merit: Stage 1 || AlgoUniversity Tech Fellowship 2025 Round 1 top 8% || deKodeX 2025

SKILLS

- **Technical:** C++, C, Python, NumPy, Pandas, Scikit-Learn, Excel, Word, Supervised and unsupervised machine learning, Tensorflow, Data Structures & Algorithms, OOP, Git, Git-Hub, SQL
- **Management/Business:** Consulting, Product Management,
- **Collaboration & Communication:** Storytelling, Pitching & Negotiation

RELEVANT COURSES

- **Programming Courses -** Introduction to programming, Introduction to AI
- **Mathematics** - Linear Algebra, Differential equations, Calculus, Probability
- **Soft skill Courses** - Communication skills, Introduction to Entrepreneurship

POSITIONS OF RESPONSIBILITY

- **Overall Head** - Extra Mural Lectures, IIT Hyderabad
- **Representative Positions-** Department Representative | Diesta || Buddy | Sunshine
- **Coordinator Positions -** Internship cell | Office of Career cell || Media | Media Council Gymkhana || Hospitality and Logistics | Spic Macay IIT H subchapter
- **Associate/Deputy Coordinator-** Finance and Consulting Club || Tinkerer Lab

EXTRACURRICULAR

- **Gold Medal** - Institute Football League (2025)
- **Winner/Runner-up** in 5+ Elocution, Essay and Literary Competitions at IIT Hyderabad (2024-25)
- **Bronze Medal** - Milan Volleyball (2024) and **Participation** - 5k Marathon
