Indian Institute of Technology Hyderabad	B.Tech	2028	8.24
Delhi Public School Bharuch	Class XII (CBSE)	2024	95.60%
Delhi Public School Bharuch	Class X (CBSE)	2022	96.60%

INTERNSHIPS

Marketing Intern | ADAMA India

- Built an **Excel-based** competitive intelligence database covering **15+** agrochemical competitors, comparing their products, ingredients, and crop uses to support marketing strategy decisions.
- Researched the Indian crop protection industry across **insecticides** segment to understand market trends.
- Participated in an **on-ground marketing campaign** in Andhra Pradesh, holding **15+** farmer discussions and engaging with distributors and retailers to understand purchasing behavior and gather market feedback.

PROJECTS

Growth Consultant | Ecell IIT Hyderabad

- Conducting stakeholder analysis and benchmarking innovation ecosystems to identify operational gaps and growth opportunities for a government engineering college's newly established E-cell.
- Analyzing existing engagement models, event strategies, and partnership frameworks of leading E-Cells to recommend **5+ initiatives** for improving community engagement and ecosystem growth.
- Developing a **10-month strategic roadmap** prioritizing outreach, partnerships, and engagement initiatives with defined execution milestones.

Customer Value Intelligence Platform | Self Project

- Built an ML-driven customer value prediction engine by engineering behavioral features and implementing a two-stage XGBoost model to predict purchase likelihood (**ROC-AUC: 0.83**) and estimate future customer spend (**MAE: $11.09**).
- Designed an actionable customer segmentation framework using predictive insights, identifying high-value customer cohorts and enabling targeted retention, reactivation, and growth strategies.

Research Paper | Prof. Rajesh Ittamalla

- Developed a **research framework and 8 hypotheses** on how leader psychological capital influences team well-being and performance, grounded in Social Learning Theory, Psychological Capital Theory, and Conservation of Resources.
- **Authored the first draft** of the research paper, structuring the model linking leader psychological capital to team outcomes, with leader integrity as a moderator.

POSITIONS OF RESPONSIBILITY

Overall Head | Ecell IIT Hyderabad

- Leading a **150+ member team** as Head of E-Cell IIT Hyderabad, driving overall strategy, operations, and execution across **6** flagship events and entrepreneurship initiatives throughout the year.
