EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	7.65
Aim-Win Academy	Class XII (CBSE)	2024	93.80%
The Emerald Heights International School	Class X (CBSE)	2022	96.20%

SKILLS

- **Programming:** Python, SQL, C++, C, HTML, CSS, Prompt Engineering (Claude Code & Antigravity)
- **AI/ML Competencies:** Machine Learning, Feature Engineering, Explainable AI (SHAP), Retrieval-Augmented Generation (RAG), LLM Integration, Similarity Search, Model Evaluation, Prompt Engineering for Agentic Workflows
- **Data & Analytics:** Pandas, NumPy, Scikit-learn, DuckDB, Data Engineering (ETL), Power BI, Exploratory Data Analysis
- **Product & Design:** User Research, Structured Problem-Solving, Wireframing/Prototyping, REST APIs, Design Principles, Cross-Functional Collaboration, Stakeholder Communication, Product Strategy
- **Tools:** Git/GitHub, React, Streamlit, Microsoft Excel, Microsoft PowerPoint, Microsoft Word, LaTeX

PROJECTS

Athena -- AI-Powered Football Decision Intelligence Platform

- Engineered **"Evidence-Before-AI"** platform processing **13M+ on-ball events** across **22,000+ players** (StatsBomb Open Data) via a **SQL/DuckDB warehouse**, computing hundreds of advanced metrics and similarity scores.
- Built a custom retrieval engine combining **entity graph traversal and RAG** to power an AI analyst that **cites deterministic evidence** for every response, eliminating hallucination risk in decision-critical outputs.
- Shipped as a production-grade system with **Dockerized deployment, CI/CD, and 230+ automated tests**.

Amex Campus Challenge 2026 (Strategy Track) | Top 3.4% Nationally

- Reverse-engineered a **profitability signal for 500K cardmembers with no ground-truth label**, deriving an economics-based P&L from a **masked schema**, validated via controlled tests against a **10-submission leaderboard**.
- Diagnosed a genuine **feature-unit mismatch** (a benefit field mis-costed by ~20x) via a monotonic response-curve experiment and matched-pair forensics, achieving **92.4% top-20% overlap accuracy**.

NOOK -- Taste-First Social Platform

- Took NOOK from an original 13-page founder thesis to a **live React/Vite/Tailwind web application**, translating product hypotheses (cold-start strategy, network-effect assumptions) into a shipped, fully responsive interface.
- Designed a signature interactive **"shelf" experience** with a dynamic, content-driven **ambient color system**, applying deliberate **design-principle tradeoffs** between visual richness, usability, and performance.
- Owned the full product loop end-to-end: **user research, feature prioritization, UI design, and build**.

IITH FCC Business Casebook 2026 -- Consulting & PM Interview Prep Resource

- Co-authored a **162-page consulting and product management interview prep resource** as part of a core team, covering theory and frameworks across **Profitability, Product Design, and Product Improvement**.
- Delivered a resource that became the **primary prep material for 200+ students**, establishing it as **FCC's flagship knowledge asset** for consulting and product management aspirants campus-wide.

POSITIONS OF RESPONSIBILITY

Head of Consulting | Finance & Consulting Club (FCC), IIT Hyderabad

- Spearheaded a team of **10 analysts** delivering structured consulting engagements for **campus startups**, including a **go-to-market strategy for Picapool** with cold-start acquisition tactics targeting its research scholar user base.
- Built a mentorship pipeline on **MECE frameworks** and client-ready communication, driving a **30% YoY increase** in

analyst participation, and coached **70+ peers** in weekly case-prep sessions on **Porter's Five Forces**.
- Coordinated with **5+ industry speakers** for **Horizon**, IITH's annual fest, overseeing end-to-end execution for the consulting vertical to a **successful delivery to 5k+ attendees**, while also **launching open consulting and product management projects campus-wide** to expand hands-on experience beyond the club's core cohort.

Finance & Partnership Coordinator | TEDx IIT Hyderabad

- Negotiated and secured **5,00,000 in sponsorship funding** from **2 partner organisations**, independently managing sponsor relationships end-to-end from initial outreach through to final delivery on event day.
- Managed **10+ vendors** on the day of the event alongside **end-to-end financial planning and budget allocation**, optimizing vendor costs while ensuring strict adherence to the approved budget across all logistics streams.

Internship Coordinator | Office of Career Services, IIT Hyderabad

- Conducted outreach to **50+ companies** across sectors, pitching IIT Hyderabad talent for internships and serving as the **primary point of contact** between recruiters and the institute throughout the entire hiring cycle.
- Evaluated and provided structured feedback on **10+ student resumes and portfolios**, improving recruitment readiness and directly supporting the coordination of internship hiring pipelines from start to end.

EXTRACURRICULAR

- **Model United Nations: Best Delegate (EHMUN)**, **Honourable Mention (Daly College MUN)**; served as **Rapporteur (EHMUN)** and **Additional Chair (XMUN, IIT Hyderabad)**.
- Awarded **Emerging Player** in the **IIT Hyderabad Institute Football League**.
