EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	8.21
NARAYANA HIGH SCHOOL	Class XII (central board of secondary education)	2024	90.60%
NARAYANA E TECHNO SCHOOL	Class X (Board of secondary education)	2022	95.50%

PROJECT INTERN

Experimental Characterization of Gypsum as a Rock Analogue(Prof.Shwetabh)

- **Experimental Calibration & Characterization:** Investigating gypsum as a rock analogue using a **rock triaxial testing system** to study its mechanical behaviour under different stress conditions.
- **Rock Failure & Strength Analysis:** Applying **Mohr-Coulomb and Drucker-Prager failure criteria** to interpret rock strength and failure behaviour from experimental results.

SKILLS

Design & CAD Software: AutoCAD, Solid Edge (2D Drafting , 3D Modeling),STAAD.Pro

Professional Skills: Teamwork, Problem Solving, Time Management, Communication

Programming Languages: C, Python, SQL

PROJECTS

Centrifugal Pump Model

- Designed and assembled a functional **centrifugal pump prototype** by integrating the impeller, casing, shaft, and other key components to demonstrate the practical construction and working of a pumping system.
- Demonstrated the **conversion of rotational mechanical energy into hydraulic energy**, enabling water to be lifted and transferred through the system based on the operating principle of centrifugal pumps.
- Evaluated the prototype under practical operating conditions by testing **water flow performance and pump operation**, validating its working mechanism and understanding the factors affecting hydraulic performance.

Satellite 3D Modeling and Printing:

- Developed a detailed **3D CAD model of a satellite using Solid Edge**, incorporating the required geometry, structural features, and component configuration into a complete digital model.
- Refined the satellite model by focusing on **component geometry, structural configuration, and overall assembly**, preparing the digital design for conversion into a physically manufacturable prototype.
- Exported the finalized CAD model in **STL format and fabricated a physical satellite prototype using 3D printing**, applying additive manufacturing techniques to translate the digital design into a functional model.

POSITIONS OF RESPONSIBILITY

Civil Engineering Society (CES) , IIT Hyderabad:

- **Design Executive** *(July 2025 - April 2026)*
- Designed department merchandise using **Canva**, including a design purchased by **100+ Civil Engineering students**, while creating event creatives to enhance **event publicity** and successfully contributing to **Civil Department Day**.

Inter IIT Sports Meet , IIT Hyderabad:

- **Medical & Security Coordinator** *(Jun 2025- Dec 2025)*
- Coordinated medical assistance and safety for students and staff from **multiple IITs** throughout the **Inter IIT Sports Meet 2025**, managing participant requirements and ensuring their well-being during the event.

Elan&Vision, IIT Hyderabad:

- **Finance & Logistics Coordinator***(Jun 2025 - Mar 2026)*
- Contacted students across **multiple IITs**, encouraging **50+ participants** to engage in Elan&Vision, while independently managing **end-to-end merchandise operations**, including procurement, payments, and logistics.

Milan,IIT Hyderabad:

- **Hospitality Coordinator** *(Jun 2025 - Nov 2025)*
- Managed hospitality operations for **15+ events over 10 days**, coordinating daily participant requirements and on-ground support while collaborating with **multiple domains** to ensure seamless event execution.

RELEVANT COURSES

- **Core Civil:** Geotechnical Engineering, Mechanics of Solids, Structural Analysis, Engineering Drawing, Construction Materials & Management, Environmental Systems Engineering,Concrete & Steel Design ,Hydraulics, Highway Design.
- **Mathematics:** Calculus I & II, Linear Algebra, Differential Equations, Probability, Statistics, Transform Techniques, Complex Variables
- **Technical Course:** Introduction to Programming

- Completed **AutoCAD** and **Advanced Microsoft Excel** training during **Core Summer 2026** through **CEA, IIT Bombay.**

EXTRACURRICULAR

- Represented IIT Hyderabad in the **58th Inter IIT Sports Meet 2025** as an Athletics participant.
- Participated and won a **Gold Medal** in Dodgeball and Silver Medals in Cricket and Carrom at Diesta, IIT Hyderabad's Inter-Departmental Sports Competition and Milan, IIT Hyderabad's Inter-Hostel Sports Competition.
- Member of the **NSO Athletics and Football** teams at IIT Hyderabad.
