EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	9.00
Sri Chaitanya Junior College	Class XII (Telangana Board of Intermediate Education)	2024	95.40%
Jubliee Hills Public School	Class X (Central Board of Secondary Education)	2022	97.40%

WORK EXPERIENCE

Business & Product Intern | Ichor Biologics Pvt. Ltd.

- Supported the **Director's office** in client outreach across **Sri Lanka, Malaysia, and Iraq**, coordinating with regional distributors to document their pain points and feed insights into ongoing partnership discussions abroad.
- Gained hands-on exposure to plasma-products operations and the **pricing strategy** for **albumin**, studying the manufacturing process during a period that scaled output from **15 to 28 batches/month** rapidly.
- Assisted in the company's **website redesign** and **UI/UX** improvements, helping restructure the entire user journey.

POSITIONS OF RESPONSIBILITY

Overall Head - Finance and Consulting Club , IIT Hyderabad

Media and Content Head - Biotech society , IIT Hyderabad

Internship Coordinator - Office of career Cell , IIT Hyderabad

Class Representative & DUGC BT (BT '24 batch) , student gymkhana

Core Cepheid | Astronomy Club , Institute Technical Council

PROJECTS

Medical Image Segmentation: Brain Tumor Detection

- Developed a robust deep learning model for precise & automated segmentation of brain tumors from complex MRI scans.
- Implemented a U-Net architecture using Python with TensorFlow and Keras, optimizing the model on preprocessed brain MRI data.
- Achieved a 92% Dice similarity coefficient, demonstrating high accuracy and providing a reliable tool for clinical diagnostic support.

Probabilistic NLP Framework for Airline Review Analysis

- Extracted quantifiable ratings and insights from airline reviews using a custom probabilistic NLP model.
- Built a probabilistic model to derive confidence metrics and suggest optimal, data-driven travel itineraries.
- Provided data-driven insights and recommendations by analyzing thousands of customer feedback entries.

Customer profitability model | **American Express Campus Challenge 2026**

- Built a **predictive scoring model** for 500K cardmembers in Python using feature economics & probability theory.
- Modeled interest income, spend, risk cost, and churn into a single unified profit score, refined with Bayesian

estimates.
- Attained a final score of **0.926 out of 1** (vs 0.20 baseline), standing **1st on campus at IIT Hyderabad** in Round 1.

Sampoorna Shopping Cart

- Built a feature-rich, console-based shopping cart by applying core data structures to efficiently manage inventory.
- Utilized C++ maps for inventory management, heaps for priority-based discount application, and file I/O for CSV data.
- Delivered a seamless and intuitive menu-driven user interface for all cart operations, showcasing application of fundamental data structures.

RELEVANT COURSES

Computer Science : Data Structures & Algorithms, Intro to Artificial Intelligence , Introduction to Programming

Data Analysis : R & Python for Biologists , Big Data Biology & Biological Databases, , Biostatistics

Mathematics : Probability & Random Variables , Calculus I & Calculus II , Differential Equations , Linear Algebra

SKILLS

Programming Languages - C++/C, Python(PyTorch, Pandas, Tensorflow, NumPy), R , MATLAB, JavaScript

Other Skills - Computer Vision, Machine Learning, Deep Learning, DSA, Data Science, Reinforcement Learning

Soft Skills - Effective Communication ,Problem-Solving ,Leadership ,Critical Thinking , Proactive Initiative

ACHIEVEMENTS

- **Ranked top 3% nationally** in the American Express Campus Challenge, placing **1st at IIT Hyderabad**.
- **Awarded Best Technological Solution** at the *Metamorphosis National Youth India Startup Competition 2019*
- **Contributed 2 gold-Medal performances**, helping the hostel secure **1st place** in the IITH General Championship.
- **Secured 1st place** in the FCC Annual Campus Case Competition (2025) with a **customer profitability strategy**.
- Represented IIT Hyderabad at **Inter IIT Cultural Meet 8.0**.
