EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	8.91
The Baptist Convent School	Class XII (Central Board of Secondary Education)	2023	91.40%
The Baptist Convent School	Class X (Central Board of Secondary Education)	2021	84.00%

POSITIONS OF RESPONSIBILITY

Design Head - Institute Technical Council

- Leading the visual identity and branding of the Institute Technical Council, developing its logo, brand system, and design language from the ground up.
- Managing the Design Team by planning workflows, delegating tasks, and ensuring high-quality execution across multiple technical clubs and initiatives.
- Strategizing and designing social media narratives, branding campaigns, and visual communication to establish a cohesive and recognizable council identity.

Design Core - Tinkerer's Lab

- Designed and maintained the club's website, ensuring a cohesive visual identity and an intuitive user experience across digital platforms.
- Created branding and communication assets including social media creatives, posters, brochures, and promotional material for workshops, events, and outreach initiatives.

Design Core - TEDx IIT Hyderabad

- Designed and managed the official TEDxIITHyderabad website, ensuring a seamless user experience and alignment with TEDx brand guidelines.
- Developed visual communication assets including social media campaigns, event creatives, posters, and digital marketing material to promote talks and engage audiences.

Design Co-Ordinator - AYAAM

- Designed and developed the official Ayaam website, creating an engaging and intuitive digital experience for the festival.
- Contributed to the conceptualization and production of the official theme animation, translating the festival's identity into a compelling visual narrative.

Adobe Illustrator - Adobe Photoshop - Adobe After Effects - Adobe Animate - Figma - Framer - Wix Studio - Ibis Paint X - Canva - SolidEdge

Design Methods

User Research - Wireframing & Prototyping - Information Architecture - Visual Storytelling - Design Thinking - Creative Direction

PROJECTS

Spectrum - A Spectacle Brand

- Designed a modular eyewear system focused on personalization, ergonomics, and user-centric customization.
- Developed product visualizations, presentation boards, and concept communication for the proposed design solution.
- Collaborated on research, concept development, and system architecture to create a scalable eyewear ecosystem.

The Striker Blueprint - Infographic

- Designed a data-driven infographic analyzing trends in the Indian Super League, translating complex datasets into clear and engaging visual narratives.
- Developed charts, data visualizations, and editorial layouts to communicate insights through effective information design.

Ghughuti - Brand Design

- Developed a complete brand identity for Ghughuti, including logo design, color palette, typography, packaging, and brand guidelines for a modern regional food brand.
- Designed a cohesive visual identity system, establishing brand elements, usage guidelines, and communication principles across print and packaging applications.
- Created packaging concepts and brand collateral that balanced Uttarakhand's cultural heritage with a contemporary visual language.

Agni - Game Design

- Designed a 2D Metroidvania game concept inspired by Indian mythology, integrating narrative, level design, character development, and environmental storytelling.
- Developed the game's lore, world-building, and protagonist while creating character explorations, animation sprites, and concept artwork.
