EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	9.61
Gopalan International School	Class XII (NIOS)	2024	90.20%
National Centre for Excellence	Class X (CBSE)	2022	94.80%

SCHOLASTIC ACHIEVEMENTS

Academic Excellence Award, IIT Hyderabad for achieving the highest Grade Point Average in the academic year 2024-25.

WORK EXPERIENCE

Graphic Design Intern | Network of Creative Thinkers

- **Created versatile templates** for social media, print materials, and marketing collateral using platform-provided assets
- Translated creative prompts into layouts, balancing functionality, visual appeal, and consistency across a **fast-paced workflow**.
- Refined typography, layout, and visual hierarchy through design guidelines, multiple iterations and continuous feedback.

Freelance Logo Designer | Samyak Patisserie

- Translated brand philosophy into a distinctive logo through research, brainstorming, sketch ideation, and iterative refinement, delivering production-ready SVG and PNG assets.

PROJECTS

Ela Ada (Visual Identity | Packaging Design) | view project

- Designed the **brand identity** for a DIY kit including logo, colour palette, visual language, brand application and guidelines.
- Developed a **packaging system**, including the outer packaging, 3 internal components, and 4 flavour-specific variants.

I Have Time (Publication Design) | view project

- Created an **experimental poetic narrative** with the evolution of traditional media as a visual language.
- **Tactile storytelling,** using thread as a narrative device and hand-binding medium for an immersive reading experience.
- Translated it into a reproducible **digital edition**, preserving visual language, narrative flow, and reading experience,

Cruel Summer (Data Visualization | Information Design)

- Filtered and analyzed a large **climatic dataset** to identify patterns across temperature, humidity, dew point, and heat index.
- Designed a **multi-layered data visualisation** using diverse graph types, maps, and comparative visuals..
- Visualised insights on perceived heat, hottest cities and years, and regional characteristics through engaging storytelling.

Nazar Ke Paar (Cultural Research | Game Design) | view project

- Conducted a **cultural study of "Nazar"** beliefs and superstitions, exploring its social and psychological significance.
- Translated cultural research and superstitions into an **educational game**, with levels promoting positive behaviour.

Public Humanities Initiative | Profs. Shuhita Battacharjee & Ankita Roy | view project

- Created an **interactive art installation**, "Confessions," for a public exhibition to promote social awareness and dialogue.
- Analyzed 500+ posts across 10+ student-led platforms to study discourse around body, gender, privacy, relationships, etc.
- **Studied audience interactions** from high-school students and the IITH community to evaluate emotional impact.

POSITIONS OF RESPONSIBILITY

Founder & Head | Silhouettes - The Fashion Club of IIT Hyderabad

- Established and led the club under the Cultural Council, growing its presence, achieving **600+ followers** in its first year.
- Directed **branding, visual identity, and creatives** through workshops, shoots, shows, and media initiatives on campus.
- **Led a team of 45+ members** in modeling, design, tech operations, and logistics for the club's first flagship event.

Design & Branding Coordinator | Ayaam 2025, 2026 (Annual Design Fest of IITH)

- Designed social media templates and digital collaterals for consistent branding across multiple promotional campaigns.

Founder & Head | The Fourth Wall - Film Club of the Department of Design, IIT Hyderabad

- Co- founded and led the club, creating its identity and organizing weekly discussions to cultivate a film culture in campus.
- Conceptualized, curated, and **hosted a student film showcase** as part of Ayaam 2025, the Annual Design Fest of IITH.
- Organized special screenings featuring **invited filmmakers**, alongside screenings for external students from other institutes.

Coordinator | ICoRD 2025 (International Conference on Research into Design)

- Designed and executed **installations, signage, and wayfinding elements** for the venue as Exhibition Design Coordinator.
- Managed presentation decks and technical coordination for conference sessions as Venue & Technical Coordinator.

EXTRACURRICULAR

- Secured **2nd place** in **DH23 Design Hackathon, 2023** by DQ Labs, competing against 500+ participating teams.
- Secured **4th place in the Fashion Cup** as a core member of the Fashion Team, IITH, in Inter-IIT Cultural Meet 8.0.
- Earned a **Black Belt (2nd Dan)** in Karate and secured podium finishes across multiple state-level tournaments.
