EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	8.25
LAKSHYA INTERNATIONAL SCHOOL	Class XII (CENTRAL BOARD OF SECONDARY EDUCATION)	2024	91.80%
ADITYA (EM) HIGH SCHOOL	Class X (Board of Secondary Education Andhra Pradesh)	2022	95.67%

PROJECTS

End-to-End Customer Churn Prediction Project

Project Link: https://github.com/RamGit-007/End-to-end-Customer-Churn-Prediction-Project

- **Developed an end-to-end machine learning pipeline** for **customer churn prediction** across 10K banking customers, covering data preprocessing, feature engineering, model training, and evaluation

- Engineered **customer-centric features** including tenure groups, age groups, engagement score, and balance-to-salary ratio to enhance churn analysis

- Benchmarked **Logistic Regression, Random Forest, and XGBoost**, achieving **86.8% accuracy and 0.855 ROC-AUC** with XGBoost

- Integrated **FastAPI REST API** with Swagger UI for single and batch inference, enabling model selection, probability scoring, and production-oriented monitoring utilities.

Student Performance Prediction & Academic Analytics System

Project Link: https://github.com/RamGit-007/student-performance-prediction

- Developed an end-to-end Machine Learning pipeline using **Scikit-Learn** to predict **student performance levels** based on behavioral indicators and academic engagement metrics.

- Conducted **Exploratory Data Analysis (EDA)** using **Pandas** and **Seaborn** to uncover **key performance drivers**, identifying how **classroom participation** and **attendance** impacted grade distributions.

- Designed an **interactive CLI-based analysis system** implementing **dynamic data visualizations**, allowing users to modularly generate **gender-wise, grade-wise, and semester-wise count plots** and heatmaps.

- Evaluated **multiple classification algorithms** (including **Decision Trees, Random Forests, Logistic Regression, Perceptron, and MLP Neural Networks**) using **precision, recall, and F1-score** to ensure **high model reliability** and insights for educational intervention.

E-Commerce Product Analytics Dashboard

Project Link: https://github.com/RamGit-007/ecommerce-product-analytics-dashboard

- Designed and developed a dynamic, interactive **Power BI dashboard** to track and analyze **25,000+ e-commerce user sessions**, monitoring critical product metrics including **DAU, MAU, AOV, Conversion Rate, Stickiness Ratio, and Churn Rate**.

- Executed complex **SQL queries** and engineered advanced **DAX measures** to dissect granular user behavior across diverse dimensions like **devices, geographic locations, and payment methods**, successfully mapping checkout bottlenecks and **cart abandonment trends**.

- Generated actionable, data-driven **business insights** by performing comprehensive comparative analyses on

city-wise performance and **category-level AOV**, identifying **peak sales periods** to optimize marketing strategies and **support product improvements**.

SKILLS

Programming Languages: Python, SQL, C, C++

Technical Skills & Tools: NumPy, Pandas, Scikit-Learn, XGBoost, Matplotlib, Seaborn, Plotly, Power BI, Microsoft Excel, QGIS, AutoCAD, STAAD.Pro, MS Project

Version Control & Deployment: Git, GitHub, Docker

Soft Skills: Problem Solving, Communication, Teamwork, Leadership, Analytical Thinking, Time Management, Adaptability

APIs : FastAPI, REST APIs

POSITIONS OF RESPONSIBILITY

Coordinator | Media Council, IIT Hyderabad

- Managed end-to-end event logistics, coordinated equipment procurement, and collaborated with cross-functional teams to ensure smooth execution of Media Council operations.

- **Leveraged data-driven insights** to analyze audience engagement trends and optimize resource allocation, improving operational efficiency and event turnouts.

RELEVANT COURSES

Mathematics - Probability, Statistics, Linear Algebra,Differential equations

Civil Engineering - Structural Analysis, Reinforced Concrete Design,Structural Steel Design, Geotechnical Engineering, Hydraulic Engineering, Surveying, Foundation Engineering, Engineering Mechanics.

EXTRACURRICULAR

Volunteer | National Service Scheme (NSS), IIT Hyderabad

- Actively participated in NSS-led community service and social outreach activities, contributing to volunteer initiatives and promoting civic responsibility.

- **Hobbies :** Sports(Badminton),Exploring Films,Carrom
