EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	7.00
Narayana Junior College, Telangana	Class XII (TGBIE)	2024	98.00%
Delhi Public School, Warangal	Class X (CBSE)	2022	85.60%

POSITIONS OF RESPONSIBILITY

Sponsorship Head -- Milan, IIT Hyderabad

- Served as Sponsorship Head for Milan, leading sponsor outreach, negotiations, and relationship management.
- Managed the event budget, tracked expenses, and coordinated funding to ensure effective resource allocation.
- Secured brand partnerships and oversaw sponsor visibility, deliverables, and on-ground coordination throughout the event.

Inbound Coordinator -- International Relations Cell, IIT Hyderabad

- Served as cultural liaison and inbound host for a Japanese innovation delegation, ensuring a welcoming and seamless campus experience.
- Led campus tours and coordinated schedules across multiple academic and administrative departments to enable productive stakeholder interactions.
- Bridged language and cultural differences through clear, context-sensitive communication, helping build trust with international guests in unfamiliar settings.
- Managed end-to-end hospitality logistics, including accommodation, local transport, meeting schedules, and detailed itineraries.

Class Representative -- Biomedical Engineering

- Represented the Biomedical Engineering cohort, acting as a liaison between students and faculty to coordinate academic updates, address concerns, and organize class activities.

SKILLS

Technical: Python, SQL, C, C++

Product: Figma, User Research, MVP Scoping, Prioritization, User Flow Design, Product Analytics

Also: PCB Design & Simulation (KiCad, SolidWorks)

Languages: English , Hindi , Telugu.

RELEVANT COURSES

Management and Psychology:Product Management Fundamentals,Fundamentals Of Organizational Structure,Entrepreneurship,Psychology of Interpersonal Relationships.

Computer Science :Algorithms and Data Structure Lab,Data Structures & Applications ,Introduction to Artificial Intelligence ,Introduction to C programming. **Mathematics** : Probability ,Linear Algebra,Statistics.

PROJECTS

Operations & Infrastructure Management System

- Built a dynamic operational dashboard to track and benchmark facility efficiency for 5,000+ residents across 23

Hostels.
- Deployed a 3-tier severity rubric and reducing Mean Time to Resolution (MTTR) by 40%.
- Evaluated seasonal operational data to forecast high-risk periods , facilitating preemptive resource allocation that prevented

20,000+ hours of aggregate downtime without increasing budget .

SmartSplit -- Product Management Project

- Ran user research with students and roommates to uncover key pain points in shared-expense tracking and settlement, surfacing unclear balances and delayed repayment as core friction.
- Scoped and prioritized the MVP -- group creation, expense splitting, balance tracking, and settlement reminders -- based on research findings and effort-vs-impact tradeoffs.
- Designed end-to-end user flows and an interactive Figma prototype, iterating on the settlement flow after early usability feedback.
- Defined success metrics (weekly active users, expense-logging frequency, settlement-completion rate) to frame how the product would be evaluated post-launch.

Air Quality Forecasting (PM2.5 Prediction)

- Built and deployed a PM2.5 forecasting pipeline across 5 Indian cities, benchmarking Prophet and LightGBM against baseline models across 7 structured notebooks, with real-world holdout validation via a public air-quality API.
- Engineered leakage-safe time-series features including multi-window lags, rolling statistics, cyclical calendar encodings, and holiday flags.
- Outperformed baseline and Prophet models with LightGBM across all 5 cities in cross-validation, achieving holdout MAE as low as 5.25 µg/m³ on real-world data collected after training, with lag-1 pollution level identified as the dominant predictive feature.
- Deployed as an interactive Streamlit application for forecast visualization and model performance comparison.

EXTRACURRICULAR

National-Level Football Player

- 1st - Telangana Rural Games Cup 2019 (Football)
- 2nd - V Rural Games Federation Cup 2019 U-16 (Kanchipuram)

Theme Photography, Inter IIT Cultural Meet 8.0 - 4th Place

Represented IIT Hyderabad among 32 IITs at the national-level cultural competition.
