## EDUCATION

| Institution | Degree / Board | Passing Year | Score / CGPA |
|---|---|---|---|
| Indian Institute of Technology Hyderabad | B.Tech | 2028 | 7.10 |
| TTWRS & COE (B) Miryalaguda | Class XII (TSBIE) | 2023 | 82.10% |
| TTWUR JC (B) DAMARACHERLA | Class X (BSE Telangana ) | 2021 | 10.00% |

## SCHOLASTIC ACHIEVEMENTS

- **NTSE Scholar:** Ranked in the top **0.14%** out of **1.4 Million** applicants nationwide
- Secured **1st Prize** in the Euphoria State-Level Science Expo Competition for outstanding performance.
- Selected in the **top 0.01%** of a state-wide talent pool of **100,000+ candidates** for the TTWREIS 'Super Students' initiative; delivered a **live, state-wide broadcast** on physics
- Awarded **2nd Prize** in **State Level Debate** Competition as a part of Ignite Fest organized by TTWREIS featuring **980+ schools**

## POSITIONS OF RESPONSIBILITY

**Founder & Convener (Overall Head) | Canteen Monitoring Committee**

- Led **30** members cross-functional stakeholders across 4 operational pillars; defined strategic objectives and key results (OKRs) and executed end-to-end process transformation to optimize campus dining delivery and performance.
- Oversaw and lead operations across **50+ dining** facilities across IITH serving **6,000+ residents**, improving service quality through structured monitoring, **data driven analysis** and seamless issue resolution.
- Architected a data-driven feedback model across 3 stake holder groups uniting students, vendors, and administration and optimized service quality governance to reduce food hygiene complaints by **50%** in **6** months.

**Sunshine |** Mental Well-being & Psychological Support System, IITH

- Awarded 'Best UG Buddy' for exceptional crisis management while leading mental health drives for 6k+ residents.
- Led psychological support initiatives for a campus of **6k+ residents**, serving as the **primary peer counselor** for student wellness
- Analyzed wellness trends for **6k+** students, designing targeted interventions that boosted engagement by **150%.**

**Inter IIT Sports Meet 2025 Coordinator | Hospitality & Logistics**

- Managed end-to-end hospitality for **6,000+** delegates across **23** IITs, driving seamless operational efficiency.
- Orchestrated **13** simultaneous events, directing cross-functional venue logistics, housing, and transport for seamless execution while optimizing resource allocation to achieve **100%** service delivery compliance.

**Finance Coordinator | Prayas - Rural Development Center | IIT Hyderabad**

- Managed a **INR 12L** budget across **4** major events; optimized capital allocation and expense tracking frameworks.
- Partnered with cross-functional teams, vendors to streamline financial operations enabling timely payments.

## VIRTUAL INTERNSHIPS

**Boston Consulting Group (BCG) Strategy Consulting Job Simulation**

- Analyzed **3-year P&L** and balance sheet data across three competitor benchmarks to evaluate the financial impact of

an installment-financing model for client BeyondTech, identifying key revenue and margin trade-offs.
- Analyzed a consumer survey of **450** alongside competitor financial data (**12% average revenue growth**) to assess market demand, identifying key adoption drivers and customer segments most receptive to financing.

**Test & Learn Business Strategy | Mastercard Advisors & Consulting Job Simulation**

- Applied Test & Learn methodology to analyze promotional data across 60 stores (20 urban, 40 suburban).
- Identified store-type segmentation as the key performance indicator; Buy-One-Get-One in urban, discounts in suburban stores.

## PROJECTS

**American Express Campus Challenge 2026** | Python · Pandas · Power BI · Excel

- Competed among **15,000+** teams from IITs & IIMs, building a **predictive cardholder scoring model** using Python and Pandas.
- Achieved **0.901 leaderboard accuracy** through feature engineering, model tuning, and iterative optimization.
- Engineered predictive features from a **500K+ record dataset**, transforming transaction data into model-ready insights.

**Gaming Controller with ESP32 and Gyroscopic Motion Control**

- Developed a Bluetooth HID controller on ESP32 using BLE and custom HID reports.
- Implemented event-driven embedded firmware with configurable button mapping and analog joystick processing.
- Designed and validated a custom PCB, completing hardware bring-up and functional verification.

## SKILLS

- **Programming**: SQL, Python, C, Verilog
- **Analytics & Visualization**: Microsoft Excel, Power BI, NumPy, Pandas, Matplotlib, Microsoft PowerPoint
- **Consulting & Business**: Stakeholder Management, Cross-Functional Collaboration, Strategic Analysis,Business Communication, Structured Problem Solving, Data Analysis.

## RELEVANT COURSES

- **Management & Behavioral Sciences:** Fundamentals of Organizational Structure, Psychology of Interpersonal Relationships, Psychology of Well-being, Psychopathology & Mental Health
- **Mathematics:** Introduction to Statistics, Probability & Random Processes, Numerical Methods, Matrix Theory, Differential Equations, Calculus I & II, Vector Calculus, Complex Variables

## EXTRACURRICULAR

- Captained IITH Kabaddi team for competitions in multiple fests and events; **secured 1st** in EBSB and Diesta
- **Merit-Selected NSO Leader**: Selected for the National Sports Organization, IITH.
- Elected School Captain for **3 consecutive years**, leading student governance, managing institution-wide events, and coordinating activities for **900+ students**
- Secured **2nd** Place in State-Level SGF Kho-Kho, demonstrating teamwork and resilience.
