EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	9.51
B.B.S. H.S. School, Azad Nagar Rewa	Class XII (Madhya Pradesh Board of Secondary Education)	2024	94.00%
50147 - Bal Bharti School Sirmaur Chowk Huzoor Rewa MP	Class X (Central Board of Secondary Education)	2022	94.40%

SCHOLASTIC ACHIEVEMENTS

- **Awarded** the Certificate of Appreciation for securing the **highest CGPA** among B.Tech Civil Engineering students while maintaining an **SGPA above 9.0** across all semesters, rising consistently from **9.13** in the 1st sem to **9.83** in the 4th sem.
- **Awarded** the School Merit Scholarship multiple times for ranking as the **top-performing student** among **200+ peers**.
- Secured **International Rank 97** in the International Science Qualifier, held by the **National Olympiad Foundation**.

PROJECTS

Redis Lite - Redis-Inspired In-Memory Key-Value Store **| Github**

- Developed a **Redis-inspired in-memory key-value store** in Modern C++, implementing **persistent storage**, **batch operations**, **key expiration**, and **atomic numeric commands** through an interactive command-line interface.
- Engineered a **hash-table-based storage engine** using **unordered_map**, achieving **O(1) average-time** performance for core database operations (**SET, GET, DEL, EXISTS**) while supporting efficient **MSET/MGET** batch processing using STL containers.
- Implemented **TTL-based key expiration** using the C++ **chrono** library with a **lazy deletion strategy**, automatically removing expired keys during database operations while minimizing runtime and memory-management overhead.
- Built a lightweight **persistence layer** using **fstream** and an extensible **command parser** with **stringstream**, supporting reliable **SAVE/LOAD** functionality and **atomic INCR/DECR** operations within a modular **single-threaded CLI** architecture.

SKILLS

- **Languages:** C, C++, HTML, CSS, Python, SQL
- **Tools & Technologies:** Git, GitHub, VS Code.
- **CS Fundamentals:** Object Oriented Programming (OOP), Data Structures and Algorithms, Operating Systems
- **Soft Skills:** Leadership, Teamwork, Communication, Problem Solving

RELEVANT COURSES

- **Computer Science:** Introduction to Programming, Data Structures & Applications
- **Mathematics & Statistics:** Calculus, Linear Algebra, Differential Equations, Probability, and Statistics.

POSITIONS OF RESPONSIBILITY

TEDxIITHyderabad - Organiser & Licensee

Previously: Coordinator - Public Relations & Networking; Sub-Coordinator - Marketing & Public Relations

- Promoted from Sub-Coordinator to Organiser & Licensee; led outreach to **150+ potential speakers** for our annual

event.
- Leading a **60+ member team** across multiple domains to plan and execute the TEDxIITHyderabad's 11th Edition (2026).

Head Internship Coordinator - Office of Career Services (Civil Engineering Department)

- Leading a team of 9 Internship Coordinators to manage internship activities and coordinate with recruiters and students.

Public Relations, Outreach & Marketing Coordinator - Finance & Consulting Club

- Coordinated public relations, outreach, and marketing for HORIZON through planning, promotions and collaborations.

Assistant Core - Operations - Tinkerers' Lab

- Handled registrations, logistics, and operations for workshops, Thrust and Auto Expo attended by **3,600+ students.**

EXTRACURRICULAR

- Solved **400+ Data Structures & Algorithms problems** across multiple platforms; earned **Leetcode 50 Days Badge.**
- Selected for **Smart India Hackathon 2025** at institute level, developing a floating sensor river monitoring system.
- Secured **1st place** out of all competing teams in the **Water Rocketry Competition** at Milan, hosted by IIT Hyderabad.
- Secured **3rd place** overall in the structural **Bridge Design Competition** during Civil Department Day at IIT Hyderabad.
