## PROJECTS

**FocusFlow - Pomodoro Productivity Web Application :**

- Developed a full-stack productivity web application using Python, FastAPI, SQLite, Jinja2, HTML, CSS, and JavaScript.
- Built REST API endpoints for task and feedback management with persistent SQLite storage and input validation.
- Implemented a state-based Pomodoro timer with 25-minute work sessions, short/long break cycles, pause/resume, restart, and session tracking.
- Integrated the frontend with backend APIs using JavaScript Fetch API, and implemented server-side page rendering using Jinja2 templates.

## POSITIONS OF RESPONSIBILITY

**PR HEAD - MILAN 2026 :**

- Led publicity strategy and campaign execution for **MILAN 2026**, driving campus-wide visibility across pre-event and on-ground activities.
- Coordinated with **PR, creative, multimedia, and event teams** to deliver timely promotional content, announcements, posters, and social media campaigns.
- Managed **event-wise publicity and communication**, ensuring competitions and activities received targeted promotion to maximize student outreach.
- Directed **on-ground publicity and real-time event promotion** during the fest, maintaining consistent visibility across major MILAN activities.
- Developed **participant-focused promotional initiatives** highlighting teams, volunteers, experiences, and behind-the-scenes content to strengthen audience engagement.

**PR and MULTIMEDIA coordinator** :

- Coordinated **PR and multimedia operations** across MILAN 2025, ensuring timely publicity and coverage of major events.
- Collaborated with event teams to manage **on-ground coordination, photography, videography, and real-time event coverage**.
- **Edited and curated photos and videos** for social media, promotional campaigns, event highlights, and post-event content.
- Worked with PR and creative teams to develop and deliver **engaging visual content** within tight event timelines.
- Contributed to **end-to-end content production**, from capturing event moments to editing and preparing content for

digital platforms.
