EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	7.67
Goutami Junior College	Class XII (Telangana State Board of Intermediate Education)	2023	98.50%
T S T W Boys Res School,Miryalaguda,Nalgonda	Class X (Telangana State Board of Secondary Education)	2021	10.00%

RELEVANT COURSES

- Probability and Statistics ,Database Management Systems (Learning) , Data Analytics

SKILLS

Technical Skills

- **Programming:** SQL, Python (Basics), C++, C
- **Libraries:** NumPy, Pandas (Basics)
- **Data Analytics:** Microsoft Excel, Power BI, Tableau (Basics)
- **Database:** SQL Server
- **Tools:** Git, GitHub
- **Core Competencies:** Data Analysis, Data Visualization, Statistics, Problem Solving

PROJECTS

PROJECT 1

E-Commerce Sales Analysis Dashboard | Power BI

Technologies: Power BI, DAX, CSV

- Developed an interactive Power BI dashboard to analyze e-commerce sales and profitability.
- Designed KPI cards for Sales, Profit, Quantity, and Average Order Value (AOV).
- Built interactive visualizations for customer behavior, payment modes, product categories, and monthly sales trends.
- Implemented dynamic filters for quarter-wise and state-wise business analysis.
- Generated business insights to support data-driven decision-making.

PROJECT 2

Numerical Methods Solver | Python, Flask

Technologies: Python, Flask

- Developed a web application implementing numerical methods for engineering computations.
- Implemented Newton-Raphson, Gaussian Elimination, and LU Decomposition algorithms.
- Built interactive interfaces for solving numerical engineering problems.
- Improved computational accuracy through iterative numerical techniques.
- Applied mathematical modeling concepts to engineering calculations.

PROJECT 3 (New)

Sales Data Analysis using SQL

Technologies: SQL Server, SQL

- Imported and analyzed sales datasets using SQL Server.
- Performed joins, aggregations, filtering, and window functions for business analysis.
- Generated insights on product performance, customer purchasing patterns, and regional sales.
- Practiced writing optimized SQL queries to solve analytical business problems.

EXTRACURRICULAR

- Regularly participate in **running** to maintain physical fitness and discipline.
- Participate in **badminton** and recreational sports, promoting teamwork and an active lifestyle.
