EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	6.84
Young Horizons School	Class XII (ISC)	2024	93.00%
Young Horizons School	Class X (ICSE)	2022	95.00%

WORK EXPERIENCE

Export Operations

- **Vendor Management**Coordinated end-to-end export execution for multi-ton perishable shipments to Italy, Dubai, and Qatar; managed Customs House Agents (CHAs) and freight forwarders to ensure customs compliance and minimize port dwell times.
- **Procurement & Rate Optimization:** Monitored FX rate fluctuations and international freight benchmarks to renegotiate logistics and supply contracts, protecting profit margins against currency volatility.

Founder | Remote Digital Agency

- **Website Development & Growth (Context/Action/Result):** Engineered a scalable agency website from scratch to establish digital presence, driving market outreach that generated **4 Lakhs in total revenue** within 8 months while expanding unique views by **200K+**.
- **Client Delivery & Team Scaling (Context/Action/Result):** Spearheaded a remote team of 4 freelancers to deploy growth strategies for a fintech startup, an NGO, and local businesses, increasing customer interactions by **12%** and overall digital engagement by **30%**.

POSITIONS OF RESPONSIBILITY

Head of Multimedia | Finance and Consulting Club (FCC), IIT Hyderabad

- **Team Leadership:** Directing a 16-member team (6 cores, 10 associates) to engineer digital content strategies, scaling club outreach to a **100k+ audience**.
- **Media Operations:** Spearheaded end-to-end multimedia coverage and digital branding for flagship club events, rising to Head after an impactful tenure as Core Member.

Manager (PR & Networking) | Entrepreneurship Cell (E-Cell), IIT Hyderabad

- **Scale & Execution:** Promoted from Assistant Manager to lead flagship national conclaves (E-Merge, Startup Fair, Founder's Hive) catering to **2,000+ attendees**.
- **E-Summit & VC Relations:** Managed a 10-member team for E-Summit 2025, directing investor outreach across **500+ startups, 25+ VCs, and top incubators** pan-India.
- **Strategic Events:** Served as Coordinator for the Startup Senate Hackathon (50+ entrepreneurs) and drove inter-college networking across **25+ student E-Cells**.

PROJECTS

- **Bangalore House Price Predictor:** Engineered a unified data preprocessing pipeline to clean property datasets, deploying and benchmarking **Linear, Ridge, Lasso, and Decision Tree regressions** to achieve **80%+ predictive accuracy (R^2)**.

- **Walmart Sales Data Analysis:** Engineered an end-to-end data pipeline in **PostgreSQL and Python** to clean and transform transactional datasets, executing **optimized relational queries** and exploratory workflows to **isolate high-margin** product categories, **peak sales windows**, and **customer buying patterns.**
