EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	9.27
V.G. Vaze College of Arts, Science and Commerce	Class XII (Maharashtra State Board of Secondary and Higher Secondary Education, Pune)	2023	84.83%
Saraswati Education Society's High School & Junior College	Class X (Maharashtra State Board of Secondary and Higher Secondary Education, Pune)	2021	96.60%

EXPERIENCE

EY (Ernst & Young) **| UI/UX Design Intern**

- Contributed to a **JICA-funded India-Japan startup ecosystem initiative** in collaboration with the **Government of Telangana**, supporting **UI/UX**, **visual communication** and **editorial design** deliverables.
- Designed **startup ecosystem newsletters** and **communication materials,** using information hierarchy and layout design to support cross-border innovation initiatives.

NBV Skilling Foundation | Visual Design & Branding Intern

- Conducted field research across **3 colleges**, engaging with students, educators and rural communities to understand aspirations and support research for skilling and employability initiatives.
- Participated in **stakeholder discussions** to understand **website requirements** and organizational goals.
- Supporting branding, communication and digital design initiatives across education and youth skilling programs.

Corner Fold | Freelance Illustrator

- Designed **spot prints**, **all-over prints**, and **print-ready artwork** aligned with **client requirements**, **brand guidelines** and **manufacturing specifications** for the **4-8 years** age group.
- Worked on **concept development**, **character design** and **graphic assets** for **kidswear collections**.

POSITIONS OF RESPONSIBILITY

Office of Career Services, IITH | Design Lead *(Awarded Letter of Recommendation)*

- Lead **visual branding** and **communication design** for internship and placement outreach initiatives.
- Designed **event branding**, **marketing collateral** and **digital communication materials** for institute outreach programs, including **Japan Career Day**.

India HCI 2026 | Branding & Design Volunteer

- Designed **illustration style** and **visual asset library** for digital communication and promotional materials, ensuring **visual consistency** across conference touchpoints.

Gesture | Overall Head

- Led a team to organize **10-15 campus art** and **cultural events**, managing branding, logistics and execution.
- Developed the club's **visual identity** by designing a new logo and creating **digital communication assets** for social media and event promotion.

- Collaborated with **multiple campus organizations** to conceptualize and execute interdisciplinary events that increased student participation and engagement.

PROJECTS

Design Department Academic Feedback System | *UI/UX Design*

- Designed a role-based academic feedback system by translating stakeholder needs into user flows, wireframes, interactive prototypes and high-fidelity interfaces for students and instructors.
- Developed *configurable feedback workflows* and *role-specific dashboards*, enabling instructors to customize end-course evaluations by course type while improving usability and navigation for students.

Isthara Food Ordering App Redesign | *UI/UX Design*

- Conducted *user research (19 participants)*, synthesized insights through journey mapping and HMW ideation and redesigned the campus food-ordering experience to improve usability and food discovery.
- Designed end-to-end high-fidelity prototype for restaurant discovery, menu browsing, checkout, payment and order tracking, introducing features such as *live kitchen preparation time* and *"Surprise Me" recommendations.*

Inclusive Kitchen Knife | *Universal Design*

- Applied *user research, problem framing, HMW ideation,* and *Universal Design principles* to design a kitchen knife that reduces intimidation and builds confidence for beginners, anxious and trauma-affected users.
- Validated and refined the design through *iterative prototyping* and *ergonomic evaluation (RULA)* to improve safety, accessibility, comfort and user confidence.

Medical Waste Segregation System for IIT Hyderabad | *Product Design*

- Conducted *stakeholder interviews, journey mapping,* and *requirements analysis* to identify healthcare service gaps.
- Designed and evaluated a medical waste segregation system through prototyping, FMEA and simulation.

RELEVANT COURSES

Product & UX: UI & UX, Universal Design, Introduction to Ergonomics, Basic Interaction Design, Basic Product Design

Human-Centered Design: Graphic Narratives: Genres of Literature and Products of Design, Design for Sustainability

Design Technology: Data & Information Visualization, Programming for Designers, AI in Design

Design Foundations: Principles of Design, Branding & Identity, Form Language, Digital Fabrication

SKILLS

- **Research :** Qualitative Research, Affinity Mapping, Data Visualization, Survey Design, Documentation
- **UX & Product Design :** User Research, Wireframing, Prototyping, Information Architecture, Interaction Design, User Flows, Usability Testing, Design Thinking, Journey Mapping, Heuristic Evaluation, Competitive Analysis, User Interviews.
- **UI Design :** Visual Design, Layout Design, Color Theory, Component Libraries, Auto Layout, Responsive Design.
- **Tools :** Figma, Adobe Illustrator, Adobe Photoshop, Canva, Google Workspace, Miro
- **Web:** Basic HTML/CSS

EXTRACURRICULAR

- Secured **4 bronze** medals in Milan 2025 **Women's Powerlifting Competition.**
- Represented IIT Hyderabad in **Inter IIT Cultural Meet 7.0** and **8.0** in Fine Arts Category.
