EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	8.95
Abhishek Jr. College	Class XII (State board)	2024	84.33%
Buds International School	Class X (CBSE board)	2022	96.00%

WORK EXPERIENCE

Visual Communication Design Intern

Center of Design Excellence (CoDE), IIT Hyderabad

- Designing and art directing a **book publication** documenting **GI-tagged crafts of Telangana** for the state government.
- Managing web design, UI, and social media content for CoDE, extending the GI documentation project's visual identity online.
- Conducting **visual research** under Telangana's RAMP scheme to translate MSME craft documentation into a cohesive design system.

UI Designer,

FinStocks AI (platform incubated at Draper University, SF)

- Led a complete **UI redesign** of the FinStocks AI platform, driven by **direct user feedback** and in-depth usability research insights.
- Reworked key screens, layouts, and interaction flows to significantly improve clarity, navigation, and overall user experience quality.
- **Collaborated** closely **with the founding team** to translate ongoing user feedback into actionable, data-informed UI design changes.

Freelance Graphic Designer and Illustrator,

Paper Plane

- Designed "Kartikey," a personal **documentation book** capturing one individual's life journey through visual storytelling.
- Translated a deeply personal narrative into a considered visual and editorial structure across the publication.
- **Illustrated murals** raising awareness in collaboration with **Aditya Birla Group** about **menstruation** for college students.
- Painted on a wall at **SB Patil College** as a participatory, **community-painted artwork** with student involvement.
- Created empathetic, accessible visuals to destigmatize a topic that is often avoided in public spaces.

SKILLS

Software

Figma, Adobe Illustrator, Adobe InDesign, Adobe Photoshop, Adobe After Effects, Canva.

Core Skills

Brand Identity Design, Visual Communication, UI/UX Design, Publication Design, Editorial Design, Illustration, Motion Graphics, Research.

Process/Soft Skills

Design Systems, Art Direction, Typography, User Research, Usability Testing, Cross-functional Collaboration, Leadership.

PROJECTS

NutraScan

Design Marathon by Designare

- Used **AI-powered scanning and voice interaction** to solve unclear, stressful, and confusing everyday food choices for users.
- Measured success through a strong **7th place finish among 300+** competing teams at the national design marathon.
- Led the complete **branding for NutraScan**, building the full brand guidelines and supporting the overall UI design process.

Shankarpale Rebrand

Course Project

- Used a completely **modern brand identity and logo** design to solve the common perception of shankarpale as a festival-only sweet.
- Aimed to **reposition it as an everyday, comforting, and nostalgic snack** that carries a homely feel even while away from home.
- Measured impact through peer review, actively gathering batchmate feedback on the logo design and the overall brand direction.

POSITION OF RESPONSIBILITY (POR'S)

Design & Branding Head,

AYAAM 2026 (4th edition)

- **Led the design and branding** vertical for the 4th edition of AYAAM, IIT Hyderabad's annual design festival.
- **Designed the logo and complete brand guidelines**, ensuring identity remained cohesive across every deliverable.
- Extended the brand consistently across social media, merch, IDs, banners, and mementos throughout the event.
- Led a team of 22 designers, coordinating across multiple domains to align on needs and creative direction.
- Contributed to nearly **doubling event footfall** year-on-year, drawing **400+ attendees** to the 2026 edition.

Design Coordinator,

TEDxIITHyderabad

- Promoted from Junior Design Coordinator to **Design Coordinator** over a ~1 year 7 month tenure with the team.
- Designed team **merch, event branding, and physical installations** across multiple editions of TEDxIITHyderabad.
- Managed on-ground event logistics as part of the broader event management team for TEDx events.
- Served as **Media Head for the MUN conducted by TEDx**, overseeing publication of the official MUN paper.

Design & Branding Coordinator,

58th Inter IIT Sports Meet

- Designed social media creatives, content, and visual strategy for the 58th Inter IIT Sports Meet, hosted across all IITs.
- Created identity cards, team merchandise, event banners, and on-ground assets like gate design and signage.
- Learned to coordinate branding at scale while hosting contingents from every IIT under one unified visual identity.

EXTRACURRICULAR ACTIVITIES

- Won **Gold medal** in **volleyball** at Milan 2024, IIT Hyderabad's inter-hostel sports competition.
- Won **Silver medal** in **volleyball** at Milan 2025, competing in the inter-hostel sports competition.
- Also played multiple friendly volleyball matches with other institutes.
