EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	7.70
NARAYANA JUNIOR COLLEGE	Class XII (TELANGANA BOARD OF INTERMEDIATE EDUCATION)	2024	96.70%
GREENWOOD HIGH SCHOOL	Class X (CBSE)	2022	90.80%

SCHOLASTIC ACHIEVEMENTS

Secured 24th Rank in the **Optiver Tradethon**, demonstrating strong analytical thinking, quantitative problem-solving, and strategic decision-making in a competitive trading simulation.

POSITIONS OF RESPONSIBILITY

Milan Overall Coordinator | IIT Hyderabad (2026-27)

- Lead the overall planning and execution of IIT Hyderabad's annual cultural festival, coordinating multiple domains, managing cross-functional teams, and ensuring seamless event operations.

Diesta Production & Pronites Head

- Headed production and pro-nite operations, overseeing stage setup, artist logistics, technical execution, and vendor coordination for large-scale events.

Inter IIT Operations Coordinator | IIT Hyderabad

- Coordinated logistics, venue operations, and volunteer management for the Inter IIT Sports Meet, ensuring efficient execution of large-scale sporting events

Hostel Representative, Ramanujan Hostel

- Represented hostel residents by addressing student concerns, coordinating with hostel administration, and organizing community initiatives.

Class Representative (2024-2025)

- Served as the liaison between faculty and students, facilitating academic communication and coordinating class-related activities

Mess Inspection Coordinator, Gymkhana Council (2025-2026)

- Conducted regular inspections of campus dining facilities, coordinated with stakeholders to address student feedback, and worked towards improving food quality and hygiene standards.

Milan Events Coordinator (2025-2026)

- Coordinated planning and execution of cultural events, managing volunteers, logistics, and event scheduling.

Diesta Hospitality Coordinator (2025-2026)

- Managed hospitality operations for guests, artists, and dignitaries by coordinating accommodation, transportation, registration, and on-site support.

Campus Tour Coordinator | Alumni Cell, IIT Hyderabad

- Coordinated and managed campus visits for prospective students, educational institutions, and guests by organizing schedules, volunteer teams, and logistics to ensure a seamless experience.

SKILLS

Finance & Business Skills: Strong foundation in financial modeling, corporate finance, valuation (DCF & Comparable Company Analysis), financial statement analysis, equity research, investment analysis, market research, and business strategy. Proficient in Advanced Microsoft Excel, Power BI, SQL, and Python for financial and business analytics, with experience in data-driven decision-making, project management, stakeholder management, operations planning, and cross-functional leadership through multiple leadership roles at IIT Hyderabad. Excellent analytical, problem-solving, communication, and presentation skills with a keen interest in finance, consulting, and quantitative decision-making.

RELEVANT COURSES

Artificial Inteligence, DSA, Biostatistics, Probability and Random Processes, Bioinformatics, R and Python, Introduction to Entrepreneurship.

PROJECTS

Deep Learning Architectures: RNN, CNN & State Space Models

- Implemented **Backpropagation Through Time (BPTT)** for Vanilla RNNs and applied gradient clipping to control exploding gradients.
- Studied **CNN backpropagation, State Space Models (SSMs), and Selective SSMs**, analyzing their gradient flow and convolutional representations.
- Evaluated **RNNs, Transformers, and Selective SSMs** in terms of computational complexity and scalability for long-sequence tasks.

Text Search Engine using Rabin-Karp & Bloom Filter

- Built a **C++ text-search engine** combining Bloom Filters with the Rabin-Karp algorithm for efficient keyword retrieval across multiple documents.
- Used **probabilistic filtering and hashing techniques** to eliminate unnecessary pattern comparisons and improve search efficiency.
- Developed a **modular C++ implementation** for document indexing, query processing, and text retrieval.

Nearest Neighbor Search using Generalized Hyperplane Trees

- Developed a **Generalized Hyperplane Tree (GH-Tree) in C++** for nearest-neighbor queries over high-dimensional datasets.
- Applied **recursive space partitioning and triangle-inequality-based pruning** to reduce the number of distance calculations.
- Designed the implementation to handle **multidimensional and duplicate data points**, along with dynamic nearest-neighbor queries.

EXTRACURRICULAR

National Sports Organisation (NSO) - Cricket | IIT Hyderabad - Actively participated in cricket training and campus tournaments, demonstrating teamwork, discipline, and leadership.

Participated in inter-hostel and institute-level cricket events, fostering collaboration, resilience, and sportsmanship.

WORK EXPERIENCE

Senior Chemistry Lecturer (JEE Mentor)

Sri Chaitanya Junior College | *3 Months*

Mentored JEE Main & Advanced aspirants through concept-driven Chemistry instruction and personalized academic guidance. Developed strong communication, leadership, classroom management, and problem-solving skills while managing large student batches. Enhanced analytical thinking, time management, and interpersonal skills by evaluating student performance and delivering effective learning strategies.
