EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2027	7.60
Narayana Junior College	Class XII (AP Intermediate Board)	2023	97.00%
Dr. Kishore's Ratnam EM High School	Class X (AP State Board)	2021	100.00%

WORK EXPERIENCE

Business Analyst Intern - Category Team | Licious

- Designed a Pan-India **hyperlocal pricing A/B test**, pulling discounts to save **Rs. 7L+/month** without impacting conversion.
- Built **Test vs Control** Customer funnel & Business dashboards tracking WAU/MAU, ATC to conversion, AOV across **City & Key ID.**
- Analyzed **category health** across users, penetration, & YoY growth, driving a **10% revenue uplift** during seawater ban season.
- Automated **competitor price tracking** & **OSA** across Blinkit, Zepto & Instamart, driving a **7% revenue uplift** in Partners.
- Led field executives **across 5 cities** to track offline prices, informing **pricing revisions** driving the category growth.

Founders Office Intern | Clink Rewards

- Built **user personas** from interviews with **15+ customers** & **10+ restaurant founders** to validate market needs.
- Designed & Launched the **Creator Tier program** to incentivize content creators, **driving a 10x increase** in organic reach.
- Integrated **DotPe** & **PetPooja POS APIs** for real-time order sync, enabling deployment across to **50+ partner cafés.**

PROJECTS

Coal Demand Forecasting & Time-Series Clustering Research Project | *Prof, Kishalay Mitra, IIT Hyderabad*

- Scraped **215K+ plant-day records** from CEA Daily Coal Reports, building a consumption dataset for **190 thermal plants**
- Found **stockout risk scales monotonically with supply chain length**: **4.9%** critical at pithead vs **38.5%** sea-supplied.
- Applied **k-Shape and DTW clustering**; ARI and Hopkins statistic showed the fleet is a **behavioural continuum**, not clusters.
- Developing two approaches: **global LSTM with per-plant embeddings**, and **time-series autoencoder latent clustering**.

K-Means based Customer Segmentation & Recommendation System

- Built a customer-level dataset from **541K retail transactions** using RFM and cancellation features segmentation.
- Removed **~5% outlier customers** with Isolation Forest, then applied scaling and Principal Component Analysis for clustering.
- Segmented customers using **K-Means (k=3)**, optimized via elbow and silhouette analysis (**silhouette score: 0.236**).
- Built a cluster-based product recommendation engine returning each customer's **top-3 best-selling unpurchased products**.

DocuMind AI - Intelligent Document Assistant

- Built a **LangGraph-orchestrated RAG pipeline** with document relevance grading and conditional fallback to Tavily web search.

- Implemented **hallucination detection** and **answer-relevance checks** using Pydantic LLM outputs and confidence scores.
- Engineered multi-format ingestion for 12 file types (PDF, Excel, code) with **chunking, OpenAI embeddings & ChromaDB**.
- Developed a Streamlit interface showing **retrieval source, relevance scores, & grounding checks** for explainable answers.

SQL Data Warehouse & Business Intelligence System

- Designed a modern **SQL Server data warehouse** using **Bronze, Silver, and Gold Medallion architecture** for scalable analytics.
- Built **ETL pipelines** integrating **ERP and CRM datasets**, performing data cleansing, standardization, and transformation.
- Developed **star-schema fact and dimension tables** optimized for analytical queries and business reporting.
- Created **SQL-based analytics** to identify **customer behavior, product performance, & sales trends** for data-driven decisions.

POSITIONS OF RESPONSIBILITY

President | Student Gymkhana, IIT Hyderabad

- Managed **Rs. 2Cr+ budget** across tech, cultural & student welfare initiatives, conducting **150+ events** throughout the tenure
- **Launched a campus Food court**, onboarding Third Wave Coffee, Dominos, Subway & 20+ stalls, serving **6K+** campus members.
- Led **Hyderabad's largest techno-cultural fest** Elan & nVision, managing over **Rs. 1Cr+ budget** and driving **50K+ footfall.**
- **Hosted weekly movie screenings** by securing copyrights from Netflix, Prime and Jio Hotstar, driving **4,000+ footfall**.
- Expanded Student Council by **founding 3 clubs** Mobius, Silhouette & Quant across **Mathematics, Fashion and Quant Finance**.

Overall Head | Behind the Lens, Filmmaking Club IIT Hyderabad

- Collaborated with **Nikon and Canon** to conduct 8+ hands-on workshops on direction, cinematography, and filmmaking.
- Led production of **6 short films, 1 music video, and 15 reels**, promoting a strong filmmaking culture across the institute.

TECHNICAL SKILLS

Analytics: Power BI, Tableau, Excel, Google Colab, Jupyter Notebook | **Productivity**: Notion, Google Workspace

Programming & Data Skills: Python (Pandas, NumPy, Scikit-learn, PyTorch, Playwright), SQL (MySQL, PostgreSQL)

ML & AI: Classical ML (Supervised and Unsupervised Learning), Agentic AI, RAG, LLMs | | **Design**: Figma, Canva, Adobe

RELEVANT COURSES

Programming: Introduction to Programming, Python Fundamentals, Introduction to Computing, Data Science Fundamentals.

AI & Machine Learning: Introduction to AI, Introduction to Machine Learning, AI/ML Tools for Chemical Engineering

Business & Entrepreneurship: Introduction to Entrepreneurship, Macroeconomics, Visual Analytics, Innovation Management

EXTRACURRICULAR

- Represented IIT Hyderabad at **Inter IIT Culturals 7.0 & 8.0**, competing in all filmmaking challenges and securing **8th place**.
