EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	9.00
MV College Buxar	Class XII (BSEB)	2024	85.20%
Bihar Public School	Class X (CBSE)	2022	95.00%

ACADEMIC DISTINCTION

- Earned an **A+ grade** in Indian **Economic** Development and **Sanskritam** Bhasa parichayah demonstrating strong **interdisciplinary** engagement with Language, Economy and Cultural Foundations

WORK EXPERIENCE

Research and Business Analysis intern at RK Helping Foundation :

- Conducted on ground research in rural village in Buxar, Bihar and identified local credit access barriers and outreach opportunities.
- Identified key challenges related to awareness, eligibility understanding, documentation, repayment concerns and trust; refining borrower communication and targeted outreach accordingly.
- Contributed to a 20% increase in loan volume.

RELEVANT COURSES

Relevant coursework : Indian **Economic Development**; Principles of Economics; Introductory **Economics**; Introduction to Probability; **Sociology** Of Sports; **Psychology** of Well being; Introduction to **Anthropology**; Sanskritam Bhasa parichayah

Introduction to programming

Food Technology

PROJECTS

Foreign Direct Investment in India: Economic impact analysis :

Researched FDI **policy** trends, sectoral implications, evaluated its **contribution** to investment, employment, **technology transfer**;

- Presented balanced assessment of FDI's opportunities and challenges for inclusive economic development.

Union Budget Analysis and Policy Presentation (March 2026)**:**

- Analysed Budgetory priorities, **revenue and expenditure** pattern, **sectoral** allocation, assessed their potential implications on growth, **unemployment**, and fiscal sustainability
- Presented findings through a concise, data supported policy presentation.

Customer information experience for Micro finance Banking :

- Created a github based website to streamline access to microfinancing bank info such as loan alerts, documentation required etc.. focusing on user experience, information clarity and service discoverability.

Nutritional Composition Analysis of Biscuit Companies : Collected and compared the nutritional composition data of biscuit from many companies by reviewing product label and available information, analyzed on key parameter of carbs, proteins, fats, proteins and sugar to create a comparative study of product nutrition profile.

Mathematical modelling of diffusion behaviour : Developed graphs based on diffusion equation to study concentration, activity factor and diffusion coefficient variation with distance and concentration.

SKILLS

Mathematical and Analytical skills : Strong foundation in Linear algebra, probability and calculus, capable of quantitative problem solving and data driven thinking.

Research and analysis :

Policy research, Structured problem solving, report writing, comparative analysis

Communication: Data storytelling and Structured synthesis.

Technical skills : Industrial organic chemistry, synthesis of Vinyl Halogen and vinyl oxygen compounds, Propene derivatives, Oxidation reaction and Industrial monomer chemistry

EXTRACURRICULAR

- **1st place** in Inter Departmental **Kabaddi** tournament (**Diesta**) showcasing co-ordinated team practice, Discipline and physical strength.

Active NSS participant

INDEPENDENT LEARNING AND POLICY INTERSET :

Engaged in sustained, self directed study of **Indian Polity**, **constitutional** governance, environmental governance and institutional decision making.

Active consumer of Media to strengthen Analytical thinking and informed decision making.
