EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	7.22
Narayana Junior College	Class XII (Telangana Board of Intermediate Education)	2024	95.90%
Narayana CO School	Class X (Board of Secondary Education Telangana)	2022	10.00%

SCHOLASTIC ACHIEVEMENTS

- All India Rank **39** in the Indian Statistical Institute (**ISI**) Test
- Qualified for the Indian National Mathematical Olympiad (**INMO**) and appeared for INMO Training Camp.
- Cleared the Indian Olympiad Qualifier in Mathematics (**IOQM**) and Pre Regional Mathematics Olympiad (**PRE RMO**)

PROJECTS

Ad Performance & Revenue Anomaly Diagnostic Engine | Python, SQL, Pandas

- Simulated 50K rows of ad server logs (5 publishers, 3 bidders) with two injected revenue anomalies, and built a SQL KPI layer (eCPM, fill rate, CTR).
- Traced a 20% revenue drop to a bidder outage on US/iOS using metric splits and LAG window functions (eCPM -40%, Bidder A's share lost).
- Isolated an Android Sticky Footer CTR crash (1.79% to 0.40%) as a layout regression, using control segments to rule out demand and publisher causes.
- Delivered a one page RCA memo with root causes, revenue impact and engineering fixes.

Dynamic Line & Flex Plan Data Product | Python, SQL, PRD Specs, A/B Testing

- Authored end to end PRD and API data contracts for a dynamic credit engine processing 25K checkout events under a 150ms SLA.
- Built a LightGBM risk framework using real time user telemetry to balance checkout conversion against default exposure.
- Executed an A/B experimentation protocol for dynamic flex pricing, achieving a 4.2% conversion lift with defaults less than 1.5%.
- Engineered real time SQL feature pipelines and model monitoring workflows in Python, automating 92% of instant credit decisions and eliminating manual underwriting bottlenecks

POSITIONS OF RESPONSIBILITY

Sports Secretary | Student's Gymkhana, IIT Hyderabad : Elected by and Represented 5,800+ students; managed a 2.2 Crore annual budget across 10+ sports verticals to optimize funds and reduce equipment costs, Researched campus recreational needs and successfully pitched the proposal for a new Box Cricket Facility, Open Gym, Dedicated Girls Gym to the institute administration, securing resource allocation and managing the end to end setup timeline, Led a team of 100+ sports captains, sports coordinators, NSO students and collaborated directly with the Institute Administration, Dean of Students, and external vendors to orchestrate inter-college tournaments and upgrade campus infrastructure.

Overall Coordinator & Founder | Abhyanth, IIT Hyderabad : Founded IIT Hyderabad's inaugural sports fest, building a 6 month pre launch execution roadmap for thousands of expected athletes, Directing a multi tiered organizing committee spanning 8 core verticals including Events, Sponsorship, Hospitality, Medical , Design, Publicity, Multimedia, and Web teams, Leading corporate outreach and pitching initiatives to secure festival sponsorships; presenting value propositions directly to CSR Directors and Marketing Managers at major firms like ICICI Bank, Cyient, Bajaj.

Organizing Committee Member | Inter IIT Sports Meet : Co engineered the operational roadmap and scheduling for 3,000+ elite athletes from 23 IITs, designing a contingency framework that resolved 100% of real time logistical

bottlenecks.

Student Mentor | Sunshine | Mental Health Cell : Selected through a multi stage screening process to counsel a cohort of 40+ incoming freshmen, completing 20+ hours of training in crisis intervention and peer support.

Coordinator | Ek Bharat Shreshtha Bharat (EBSB) : Orchestrated 6 major cultural exchange initiatives under the Ministry of Education's mandate to promote regional integration.

SKILLS

Product & Strategic Frameworks: Design Thinking, User Centric Design, Wireframing & Prototyping, Market Research, Product Lifecycle Management (PLM), Competitive Strategy, Cost Benefit Analysis.

Analytical & Technical: MATLAB, C, C++, Python, Artificial Intelligence Foundations, SQL, Data Modelling, Statistical Analysis, Decision Modelling, Excel, VS code, Latex.

Management & Operations: End to End Project Management, Cross Functional Collaboration, Corporate Finance.

RELEVANT COURSES

Mathematics Courses - Applied Statistics | Convex Optimization | Probability Theory | Number Theory | Ordinary Differential Equations | Complex Variables | Linear Algebra | Transform Techniques

Computer Science Courses - Introduction To Programming | Data Structures & Applications | Database Management Systems | Linear Systems & Signal Processing | Algorithms | Compilers | AI for Humanity | Artificial Intelligence

Entrepreneurship Courses - Introduction To Entrepreneurship | Fundamentals Of Organizational Structure | Consumers And Commodities

EXTRACURRICULAR

Represented IIT Hyderabad in the **INTER IIT SPORTS MEET 2025** as a Volleyball Player.

An Active Athlete, with participation in various **Open Tournaments** and practice matches.
