EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2027	9.67
Rajkiya Pratibha Vikas Vidyalaya	Class XII (CBSE)	2020	81.30%
Rajkiya Pratibha Vikas Vidyalaya	Class X (CBSE)	2018	72.00%

PROJECTS

Accessible Auditory Learning Platform for Visually Impaired Students | M.Tech Prototyping Project

- Developing a prototype of an accessible learning platform as part of the product-based M.Tech programme at IIT Hyderabad.
- Building a **Text-to-Speech (TTS) system** to convert educational text into speech for visually impaired students.
- Developing an **auditory graph-learning lab** that converts 2D graphs into meaningful sounds, enabling students to understand graph concepts through auditory interaction.
- Integrating **AI, audio processing, and assistive technology** to create an inclusive learning experience for visually impaired students.

Health Help: An All-in-One Disease Predictor

- Developed a comprehensive ML application for multiple disease predictions using symptom-based classification.
- Conducted extensive EDA, data cleaning, and hyperparameter tuning, comparing multiple ML algorithms to identify optimal models for each disease.
- Serialized best-performing models and deployed the application using Streamlit, enabling an interactive disease prediction interface.

Diamond Price Prediction

- Engineered an end-to-end ML pipeline for diamond price prediction, encompassing EDA, feature engineering, preprocessing, and model evaluation.
- Optimized predictive performance through comparative model evaluation and hyperparameter tuning to identify the best-performing algorithm.
- Deployed the prediction model with Flask, delivering a user-friendly web interface for real-time diamond price estimation.

EXPERIANCE

Clinical Immersion | Kamineni Hospitals, Hyderabad

Dec 2025

- **Explored 10+ hospital departments and laboratories** to understand real-world clinical workflows and healthcare practices.
- **Identified underlying challenges and workflow gaps** across the medical ecosystem through direct clinical observation.
- **Mapped clinical workflows and unmet needs** to identify opportunities for medical device innovation and technology-driven solutions.

GYPR Pvt. Ltd. | Data Science - SME

Feb 2024 - Aug 2024

- **Mentored US/UK students** in Data Science, Machine Learning, Statistics, Deep Learning, and Python programming.
- **Delivered seminars on Machine Learning and Databases at BMU, Rohtak**, engaging students with practical concepts.
- **Managed Data Science coursework** for 50+ international students, providing assignment guidance and technical support.

SKILLS

- **Programming Languages:** C/C++, Python, SQL
- **Python Libraries & Frameworks:** NumPy, Pandas, Matplotlib, Seaborn, Scikit-learn, Flask, Pickle
- **Machine Learning:** Regression, Classification, Ensemble Techniques, Hyperparameter Tuning, EDA, Feature Engineering, Statistics
- **Deep Learning:** ANN, CNN, RNN, Transformer, LSTM,
- **Database & Data Analytics:** MS Excel, Power BI, Tableau
- **CAD & Design:** Basic CAD Modelling
- **Tools:** Jupyter Notebook, Google Colab, VS Code, Git, GitHub

PUBLICATION

- A Systematic Review on Internet of Things (IoT) Security: Applications, Architecture, Challenges and Solutions -- Vasu Dev Ganda, Ritika, Diksha Chawla, Pawan Singh Mehra | IEEE Xplore (ACET 2024) | DOI: **10.1109/ACET61898.2024.10729954**

POSITIONS OF RESPONSIBILITY

- **PG Buddy Head**, Sunshine - IITH | *May 2026 - Present*
- **PG Buddy**, Sunshine - IITH | *October 2025 - May 2026*

SCHOLASTIC ACHIEVEMENTS

- Data Science & Artificial Intelligence in Cardiology -- CRC 2026
- Precision Medicine & Clinical Artificial Intelligence -- AI Pre-Summit 2026
- Programming in Python -- SWAYAM, MHRD

TECHNICAL SEMINARS & ENGAGEMENTS

- Introduction to Business Analytics | Spinny, Gurugram | 19 Dec 2024
- Python Programming | CVRU, Patna, Bihar | 5 Dec 2024
- Machine Learning & Databases | BMU, Rohtak | 11-15 Mar 2024
- Introduction to Python Programming | PDM University | 12 Oct 2023

TRAINING

- Artificial Intelligence Externship -- Allsoft Solutions & Services Pvt. Ltd. | *Jun 2022 - Jul 2022*
- Machine Learning Training Program -- INFOVIRTECH Pvt. Ltd. | *Mar 2022 - Apr 2022*
- Research Training Program -- BAVCH EDUTECH | *Aug 2022 - Sep 2022*

HOBBIES & INTEREST

- Photography, Anime & Japanese Culture, Gym, Badminton, Reading Self-Help Books, Travel & Exploring Underrated Places
