EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2027	6.98
S.J.S COLLEGE KURTHA,ARWAL	Class XII (Bihar School Examination Board)	2023	85.00%
UTKRAMIT MADHYAMIK SCHOOL KAITHALODIPUR KURTHA, ARWAL	Class X (Bihar School Examination Board)	2021	85.20%

SCHOLASTIC ACHIEVEMENTS

- Ranked in the top 0.3% nationally in JEE Mains 2023 and JEE Advanced 2023.
- Recognized as prestigious State NTSE Scholar, selected from a highly competitive pool of over 1L participants.
- Ranked Top-3 in the State Mathematics Olympiad for two consecutive years, showcasing advanced analytical aptitude.
- Conferred the National Means-cum Merit Scholarship, awarded to academically meritorious students Nationally.

POSITIONS OF RESPONSIBILITY

Outreach Coordinator | Office Of Career Services

- Executed targeted corporate outreach, scaling **Career Connect** participation from **7 to 40 companies**.
- Coordinated communications and event logistics for **20+ Japanese firms** during **Japan Career Day**.
- Facilitated ongoing placement and internship processes across **10+** companies.

Transport Coordinator | Inter IIT Sports Meet 2025 - IIT Hyderabad

- Orchestrated IITs largest event operation for **2300+ participants, across 10+ competitive venues**.
- Negotiated contracts **worth 2 Million**, cutting **costs by 20%** while ensuring 100% on-time mobility.
- Led a **15-member core team** and deployed a real-time GPS tracking system, enhancing participant experience.

UG Buddy | Sunshine Counselling Cell - IIT Hyderabad

- **Mentored 50+ freshmen**, driving academic-social integration with a structured peer-support framework.
- Facilitated **10+ departmental initiatives**, increasing **participation by 60%** and strengthening community bonding.
- Pioneered a student **feedback mechanism**, enabling resolution of challenges and overall satisfaction scores.

SKILLS

Technical & Analysis: SQL, Python (Pandas, NumPy), Excel (Advanced), Power BI, Tableau, PostgreSQL, REST APIs

Product & Metrics: A/B Testing, Experimentation & Hypothesis Testing, North Star & Guardrail Metrics, Unit Economics (CAC, LTV), PRD Authorship, Stakeholder Alignment, Behavioral Telemetry & Clickstream Analytics, Data Visualization, Jira

PROJECTS

FoodPulse: Demand Forecasting & Menu Intelligence

- **Architected predictive demand** pipeline using Python, SQL, and Cross-Correlation across external food discourse and search volumes, proving external intent signals lead on-platform search **surges by 14 to 21 days**
- Formulated a **Hyperlocal Supply Opportunity Index (SOI)** balancing search momentum against 3km competitor SKU density, deploying an interactive Streamlit/Plotly merchant cockpit to guide **high-margin menu expansion.**

AeroPoint - Wireless Pen-Style Precision Mouse

- **Designed and developed** a pen-form wireless input device over **optical sensor with 1200 DPI tracking accuracy**, delivering with **<10 ms input latency**, significantly improving usability in presentations and workspaces
- **Engineered a cost-efficient system** achieving **>95% tracking consistency** and stable wireless performance, positioning it as a **practical, ergonomic alternative** for workflows, annotation, and on-the-go computing

Customer Experience & Churn Analytics -- Quick Commerce | *Python, NLP, Product Analytics*

- Engineered NLP and sentiment analytics pipeline in Python across **200K+ user reviews**, cross-tabulating polarity scores with rating distributions to quantify CSAT drivers and evaluate behavioral sentiment across the user journey.
- Conducted frequency analysis to isolate churn drivers and drop-off bottlenecks across fulfillment latency, AI support failure rates, wallet conversion, authoring product specs to optimize streamline checkout to a **<60s path-to-purchase**

EXTRACURRICULAR

- Mentored **100+ students** at **Srijan Home School**, boosting academic pass rates through structured coaching.
- Spearheaded social welfare, community awareness campaigns under **NSS IIT Hyderabad**, engaging **500+** participants.
- Designed development tracks and extracurricular workshops, improving and learning confidence across grade levels.
- Completed **Hyderabad Airport Run**, reflecting discipline, endurance, and commitment to large-scale initiatives.

WORK EXPERIENCE

Strategy & Planning Intern | Sports Department - IIT Hyderabad

- Led **strategic assessment and infrastructure planning** through facility audits and SWOT analysis, aligning campus capabilities with national standards and positioning the institute as potential host for such huge events
- Architected an end-to-end **event planning framework** across scheduling, logistics, budgeting, and vendor strategy, contributing to proposals worth **15 Cr+**, while supporting campus initiatives to enhance overall visibility.

Project Intern | AESICD Lab, IIT Hyderabad

Algorithmic Modeling & Hardware Systems Analytics *Python, Transformers, RTL, Benchmarking*

- Engineered a Python-based Transformer architecture to model complex PDE systems, executing 50+ ablation trials to optimize attention weights and achieve a **96.4% convergence accuracy**.
- Benchmarked computational throughput and resource telemetry across FPGA/ASIC pipelines, profiling RTL arithmetic modules to achieve a **28% reduction in latency** and **1.4× faster execution cycles**.
