Nistala Sripavan

ms25mtech14002@iith.ac.in | sripavannistala@gmail.com | +91 8978978002

EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2027	7.48
Sri Chaitanya Junior Kalasala, ECIL	Class XII (TSBIE)	2020	90.90%
Bhavan's Sri Rama Krishna Vidyalaya, Sainikpuri.	Class X (CBSE)	2018	81.60%

EXPERIENCE

Graduate Engineer Trainee - Godrej & Boyce Mfg. Co. Ltd.

- Managed Service Quality and coordination across **16 Authorized Service Providers** spanning Telangana and Andhra Pradesh, resolving approximately **500** escalations per month.
- Tracked Service KPIs and provider performance using **Power BI & Excel**, presenting monthly reports to Branch & Regional Managers.
- Attended Technical training workshops for technicians to enhance their technical knowledge and skills.

Intern - Birla Shakthi Cement

- Studied **Supply Chain Management** in Cement Division Unit at 'Kesoram Industries', focusing on Grinding, Kiln operations & Quality Control.

Intern - Defence Research and Development Laboratory (DRDL)

- Analyzed flow coefficient and hydraulic resistance in Propulsion system components under the Department of Liquid Propulsion, using **Ansys**.
- Identified **Optimal valve geometry**, contributing to design recommendation

Intern - Maruti Suzuki

- Assisted in General Servicing and Maintenance diagnostics on approximately **6** vehicles per week.
- Acquired hands-on experience in the **Servicing, Maintenance, Inspection and Troubleshooting** of Power Transmission, Engine, Cooling Systems & Electricals of various Maruti Suzuki Vehicles at 'RKS Motor Pvt. Ltd.'

ONLINE CERTIFICATIONS

IIT Guwahati - 1Stop

- Online Certification on "AutoCAD/Catia/Ansys."

Coursera - University of Buffalo

- Online Certification on "Renewable Energy: Fundamentals and Job Opportunities."

ACADEMIC PROJECTS

Master of Technology - Materials Science And Metallurgical Engineering

- Characterizing Microstructure of Additively Manufactured (Laser Powder Bed Fusion) tool steel samples using **Optical Microscopy, XRD, SEM.**
- To Evaluate Hardness, Porosity & Mechanical properties across build parameters to correlate process conditions with material performance.

Bachelor of Engineering - Mechanical Engineering

- Designed and fabricated a **"Semi-Autonomous Wireless Gesture-Controlled Wheeled Robot"** using Arduino.
- Implemented gesture recognition via Accelerometer, achieving 94% control accuracy and approximately **200 ms** response time.

TECHNICAL SKILLS

- **Design & Simulation**: AutoCAD, SolidWorks, CATIA, Ansys, Fusion 360.
- **Programming & Data**: C, Python, Power BI, Matlab, HTML, CSS, JavaScript.
- **Creative & Web**: Figma, Blender, Procreate.

POSITION OF RESPONSIBILTY

- **Branch Service Executive & Assistant Service Manager** in Godrej Appliances Division for **16** Authorized Service Providers among Telangana and Andhra Pradesh States.
- Member, **Society of Automobile Engineers (SAE)** - Design Team: contributed to Chassis Design of a race cart at **Buddh International Circuit, Delhi** for **Formula Imperial** in 2022, working in a team of **9**.
- **Co-Founder & Design Head**, Forgeclub (clothing brand): Led Product Design for a catalog of **T-shirts, Hoodies, Phone Cases & Posters** with approximately around **600** units sold per month.

CAREER OBJECTIVE

M.Tech Materials Science graduate seeking a **Materials/ Manufacturing Engineering** role, bringing hands- on experience in metallurgical characterization, additive manufacturing, and cross- functional service operations, to contribute to process optimization and quality engineering.
