EXPERIENCE

Exchange Student : Seoul National University (International Summer Program), South Korea

- Participated in a one-month international exchange program, studying Media Arts and Theory while engaging in cross-cultural academic collaboration and exploring contemporary perspectives on media, art, and design.

Design Head : IR Cell, IIT Hyderabad

- Led a team of 4 designers, coordinating design tasks, providing creative direction.
- Responsible for creating visual assets including event flyers, posters, merchandise and informational booklets. Contributed to the overall branding and design communication for various initiatives and events organized by the cell.

Creatives and Web Coordinator : Elan & nVsion, IIT Hyderabad

- Designed graphics for social media campaigns, event promotions, and branding materials.
- Contributed to the visual design and UI elements of the official event websites.
- Created merchandise designs, including apparel and promotional items, aligned with the festival's brand identity.

Summer Internship : Department Of Design, IIT Hyderabad

- Summer Internship under guidance of Dr. Saurav Khuttiya Deori on "Print Documentation of the Adi Tribe of Arunachal Pradesh, India"
- Conducted interviews and cultural research to document Adi folktales, traditional attire, and heritage of the Adi tribe of Arunachal Pradesh, gaining experience in ethnographic research and print documentation.
- Compiled and transformed the research into a visually designed and illustrated publication, handling content organization, layout, and editorial design to preserve and communicate Adi cultural narratives.

SKILLS

Graphic Design: Branding & Identity Design, Publication / Editorial Design, Illustrations, Typography.

Communication Design: Information & Data Visualization, Storyboarding, Narrative Design, Script Writing.
