PROJECTS

Product Analytics & Customer Segmentation Dashboard | SQL, Python, Power BI

Analyzed e-commerce customer and transaction data to identify user segments, purchasing patterns, and key product opportunities.

- Built SQL-based product funnels and cohort analysis to evaluate conversion, retention, and customer drop-off across the user journey.
- Developed an interactive Power BI dashboard tracking KPIs including conversion rate, repeat purchases, average order value, and customer lifetime value.
- Derived data-driven product recommendations to improve customer retention, engagement, and overall business performance.

LETS -- Recycled-Paper Pencil | **Product Strategy, Market Research, Unit Economics, GTM**

- Analyzed the recycled-paper pencil market and competitive landscape to identify target customers, positioning opportunities, and growth avenues.
- Developed and validated a recycled-paper pencil prototype, evaluating writing performance, sharpening compatibility, durability, and product improvements.
- Contributed to product strategy and market-growth discussions, defining improvements across product design, pricing, customization, and scalability.
- Developed unit economics and a go-to-market strategy targeting educational institutions through wholesale, retail, and bulk customized distribution.

WORK EXPERIENCE

COO / Head of Operations | S7Shukla Books Hub -- S7Shukla Upgrades

- Managed day-to-day operations across business, product, content, technology, and service functions, coordinating teams and ensuring timely execution of key activities.
- Streamlined internal workflows and collaborated across functions to improve operational efficiency and execution.
- Supported business planning and strategic initiatives while coordinating team responsibilities and deliverables.
- Worked closely with cross-functional teams to align operational requirements with business and technology objectives.

Sales & Marketing Intern -- Karsh

Marketing: Promoted AI automation, web development, and digital marketing solutions.

- **Lead Generation:** Identified and qualified B2B prospects.
- **Client Outreach:** Handled LinkedIn/email communication and follow-ups.
- **Sales Conversion:** Assisted in lead conversion and closure.
