EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	7.88
Happy Valley School	Class XII (Central Board Of Secondary Education)	2024	88.60%
Siddartha High School	Class X (Board of Secondary Education,Telangana)	2022	10.00%

PROJECTS

E-Commerce Sales Analytics | *MySQL*

- Developed a normalized MySQL database for an e-commerce platform, designing relational tables for customers, products, orders, payments, and inventory to ensure efficient data storage and management.
- Implemented advanced SQL queries using JOINs, CTEs, Window Functions, Views, and Stored Procedures to analyze sales trends, customer purchasing behavior, product performance, and revenue metrics, enabling data-driven insights.

Road Traffic Accident Severity Prediction | *Machine Learning*

- Created a predictive model for road accident severity using Random Forest, Decision Trees, and Logistic Regression, achieving 85% accuracy in classifying severity levels, facilitating improved traffic management.
- Executed a comprehensive analysis of significant features influencing accident severity through Random Forest's feature importance, yielding insights to refine safety protocols and risk mitigation efforts on the roads.

2024 Lok Sabha Election Results Analysis | *SQL + Power BI*

- Analyzed constituency-level 2024 Lok Sabha election data using SQL to evaluate party-wise seat distribution, vote shares, winning margins, state-wise electoral patterns, and performance across constituencies.
- Developed an interactive Power BI dashboard to visualize party performance, constituency outcomes, EVM and postal votes, and closely contested races, enabling comparative analysis and data-driven electoral insights.

Task Management Web Application | *Web Development*

- Developed a full-stack Task Management web application using Flask, SQLAlchemy, and SQLite, implementing complete CRUD functionality for efficient task creation, updating, deletion, and tracking.
- Designed and integrated a database-backed task management system with dynamic HTML templates, ensuring seamless data persistence, responsive user interactions, and clean backend architecture.

POSITIONS OF RESPONSIBILITY

Sponsorship Coordinator, Milan - Annual General Championship, IITH

- Managed sponsor outreach and built partnerships for events under Milan, strengthening collaborations. Coordinated with sponsors, handled communications, and ensured execution by securing support for events.

Undergraduate Mentor, Sunshine - Student Counseling Cell, IITH

- Provided academic guidance and emotional support to junior students through structured peer mentoring. Assisted mentees in adapting to campus life, managing academics, and addressing personal challenges.

Production Coordinator, Diesta - Inter-Departmental Championship, IITH

- Managed production, logistics, and event execution for Diesta. Coordinated pronites by handling performers. schedules, and on ground arrangements.

SKILLS

- **Programming Languages :** C/C++, Python, SQL.
- **Data Structures & Algorithms**
- **ML and Tools:** Supervised Learning, Unsupervised Learning, Scikit-learn, Tensorflow.
- **Data Science Libraries:** NumPy, Pandas, Matplotlib, Seaborn, Plotly.
- **Data Engineering**: Data Cleaning, Data Preprocessing, Feature Extraction.
- **Web Technologies:** HTML5, CSS3, JavaScript, jQuery, Flask.
- **IDE & Tools:** Jupyter Notebook, VS Code,Git, GitHub, SolidEdge.
- **Soft Skills:** Problem Solving, Communication, Adaptability, Interpersonal, Analytical.

RELEVANT COURSES

- Introduction to Programming.
- Differential Equations, Probability, Statistics, Complex Variables, Calculus, Linear Algebra, Transform Techniques.

EXTRACURRICULAR

- Served as an Associate in Operations domain in the Finance and Consulting Club (FCC), IIT Hyderabad, in 2024-25.
- Active member of the National Sports Organization (NSO) at IIT Hyderabad, with a focus on football; regularly participate in training sessions and institute-level matches.
- Secured 2nd place in **DIESTA**, IIT Hyderabad's Inter-Departmental Football Tournament, representing the Civil Engineering department.

SCHOLASTIC ACHIEVEMENTS

- Solved **350+** Data Structures and Algorithms problems on LeetCode.
