EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	8.31
MALDA UMESH CH BASTUHARA VIDYALAYA	Class XII (WEST BENGAL COUNCIL OF HIGHER SECONDARY EDUCATION)	2023	91.40%
RAMAKRISHNA MISSION VIVEKANANDA VIDYAMANDIR, MALDA	Class X (WEST BENGAL BOARD OF SECONDARY EDUCATION)	2021	90.29%

ACHIEVEMENTS

- Achieved maximum **Codeforces** (acc - **Darkai99**) **Rating of 1431 (Specialist)** and solved **500+ algorithmic problems** across Codeforces, LeetCode, CSES, and other competitive programming platforms, with best performance **Rank 2373** among 17,000+ participants in **Codeforces Round 1102 (Div. 2)**.
- Secured **Team Rank 173** in the **ICPC 2025 Prelims**, with an **Institute Rank 6** among participating teams from IIT Hyderabad.
- Achieved **Global Rank 848** in the **IICPC CodeFest 2026 - Prelims**.
- Represented IIT Hyderabad at the **Inter IIT Tech Meet 14.0**, securing **10th place** in the **Game Development** problem statement.
- Secured **1st Place** in the **Game Jam** at **Elan & nVision 2025** and **Elan & nVision 2026**.

PROJECTS

Numerical Nexus (GitHub)

React, FastAPI, Python, NumPy, SciPy, Matplotlib, CSS, Git

- Collaborated in a **3-member team** to develop a **full-stack educational web application**, using **Git** for version control.
- Built a **React** frontend integrated with a **FastAPI** backend to visualize and solve numerical methods through an intuitive, interactive interface.
- Implemented **real-time streaming computation** using FastAPI *StreamingResponse*, enabling live terminal-style execution for algorithms including **LU Decomposition**, **Companion Matrix**, **Newton-Raphson**, **Legendre Polynomials**, and **PDE-based simulations**.
- Designed automated visualization pipelines to generate and render **CSV tables**, **plots**, and **PDF reports**, providing interactive analytical outputs for users.

Beyond the Console (GitHub)

C#, Unity, Git

- Collaborated in a **multi-member team** using **Git** and **GitHub** to develop a **2D-3D Unity game** within **7 days** for the **Inter IIT Tech Meet 14.0 Game Development Problem Statement**.
- Implemented the **enemy navigation** and modular **weapon inventory** systems using **C#**, while contributing to **story development**, **3D world building**, **level design**, and collaborative debugging through pull requests and code reviews.
- Secured **10th place** among **23 participating IITs**, demonstrating effective teamwork, rapid prototyping, and agile game development under strict time constraints.

Other Technical Projects

- **interactive website** for solving **Prime Number** problem statements using real-time computation and a GUI-based interface.

- **Unity games:** **Rowmance**, **O-Ro-Ra** (published on itch.io), the **Milan 2025 website game**, **Stella Victor** (published on itch.io), **Project Parkour**, **Riskuit**, **Dream Files**, etc.

SKILLS

- **Languages**: C, C++, Python, JavaScript, C#, SQL, HTML, CSS
- **Libraries**: C++ STL, NumPy, Pandas, Matplotlib, React.js
- **Frameworks**: FastAPI, Node.js, Bootstrap
- **Database & Game Engine**: PostgreSQL, Unity
- **Tools**: Git, GitHub, Linux, VS Code, npm, pip

POSITIONS OF RESPONSIBILITY

- **Core Member** at *Infero Club, IIT Hyderabad*

- **Game Dev Core** at *Glitch Club, IIT Hyderabad*

RELEVANT COURSES

- **Excelled in:** Data Structures and Applications (A-), Introduction to Programming (A), Introduction to Computing (A), Elementary Linear Algebra (A-), Differential Equations (A), Introduction to Probability (A), Calculus II (A+)
- **Other Courses:** Algorithms, Operating Systems I, Theory of Computation, Discrete Mathematics, Probability and Random Variables, Introduction to Statistics, Introduction to Artificial Intelligence, Calculus I

EXTRACURRICULAR

- Secured **3rd Place** in the **Inter-Department Team Chess Competition** at **Diesta 2025**, demonstrating strategic thinking and teamwork.
- Secured **2nd Place** in **Stranger Bands 2026** as a **Vocalist**, performing in a competitive institute-wide band event.
