EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	8.47
Shri R.L.T. College of Science, Akola	Class XII (MSBSHSE)	2023	59.17%
Podar International School, Akola	Class X (CBSE)	2021	81.40%

SUMMARY

Systems oriented UI/UX and Interactive Systems Designer pursuing a B.Des at IIT Hyderabad. Specializing in high-fidelity digital prototyping, accessible interfaces, and sustainable design methodologies. Combines a rigorous approach to systems thinking with a proven track record of leading cross functional design operations and executing complex visual communication strategies

POSITIONS OF RESPONSIBILITY

Design Lead - Outreach Cell, Office of Career Services, IIT Hyderabad

-Streamlined the collection and presentation of batch information by engineering primary information gathering databases, reducing processing time for the placement team and recruiters.

-Increased corporate recruiter engagement by spearheading the visual communication strategy and designing high impact layout templates for official internship brochures.

Design Core - Tinkerers' Lab IITH

-Boosted student engagement in campus workshops by conceptualizing and deploying a comprehensive retro themed visual brand identity and arcade inspired interactive asset packs.

-Designed high fidelity promotional collateral and specific game iconography, standardizing the lab's digital presence across platforms and increasing event participation.

Head of Exhibition - ServDes' 2025

-Lead the end-to-end spatial layout and storytelling for the international service design conference, enhancing navigation for **250+** attendees by deploying tailored signage systems.

-Managed and coordinated a cross functional exhibition team to execute physical setup orchestration, achieving a increase in positive exhibit feedback through innovative spatial design methodologies.

Coordinator for Multimedia - AYAAM 2025

Annual Design Fest, Department of Design, IIT Hyderabad

-Maximized online outreach and digital footprint for the annual design fest by producing dynamic motion graphics and social media teasers, resulting in a increase in online engagement.

-Executed comprehensive videography and video editing using Adobe Premiere Pro and After Effects, delivering high quality promotional videos that documented live festival activities for an audience of **1000+**.

Exhibition Coordinator - ICoRD 2025

-Orchestrated the spatial design and display galleries for the 10th edition of the International Conference on Research into Design, accommodating 650+ participants through strategic exhibition planning.

-Executed the implementation of comprehensive signage systems and presentation boards by leading cross-team brainstorming sessions, improving event flow efficiency.

Class Representative - Department of Design, IIT Hyderabad

Streamlined academic operations and curated **6** departmental exhibitions for 25 B.Des students, acting as the primary faculty liaison to ensure **100%** schedule compliance and mobilizing peer teams to showcase academic projects.

SKILLS

User Interface (UI) & Interaction Design

High-fidelity prototyping, micro-interactions, responsive web designing digital experiences using Figma.

Information Architecture & Wireframing

User flows, journey mapping, site mapping, structural logic

Exhibition & Spatial Design

Experience in Exhibition Planning, Exhibition Management, Signage Systems, and Exhibit Design that combine form and storytelling.

Graphic Design & Branding

Proficient in Layout Design, Merchandise Design, and visual communication using Adobe Creative Suite.

Video & Multimedia Production

Skilled in Camera Operation, Videography, and Video Editing using Adobe Premiere Pro.

Softwares - Figma, FigJam, Advanced Prototyping, Adobe Creative suite
