EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2028	0.00
D.A.V Public School Bariatu Ranchi, Jharkhand	Class XII (CBSE)	2024	86.80%
D.A.V Public School Bariatu Ranchi, Jharkhand	Class X (CBSE)	2022	91.40%

WORK EXPERIENCE

UX/UI Design Intern-DISHA, IIT Hyderabad

DISHA -- Digital Intelligence System for IITH Advancement. Working on the redesign of IIT Hyderabad's Faculty ERP and Finance Portal as part of the institute's digital transformation initiative.

- Redesigned enterprise ERP workflows through stakeholder interviews, workflow analysis, information architecture, wireframing, and interactive prototyping to simplify administrative experiences for faculty.

Design Intern- Ernst & Young (EY)

Working on the **Project for Promoting Startup and Innovation in Telangana**, a collaborative initiative involving the Government of Telangana, JICA, TGIC, and the ITE&C Department.

- Designing user-centric digital experiences and platform workflows and information architecture and interaction flows.
- Creating design documentation and presentations for government and institutional stakeholders.

Web Design Intern-Houcey (Peoplel)

- Designed web pages and digital assets and improved website layouts and user experience.

Design Intern- Department of Design, IIT Hyderabad

Worked on the research project **Architectural Ornamentation of North-East India** under the supervision of Dr. Saurav Khuttiya.

- Documented vernacular architectural ornamentation and created detailed visual tracings.
- Assisted in research documentation and analysis.

POSITION OF RESPONSIBILITY

Overall Head- Ayaam 2026 - IIT Hyderabad annual design festival

- Led end-to-end planning and execution of the event, coordinated multiple functional teams spanning design, logistics, hospitality, outreach, and operations to ensure seamless cross-team execution.
- Oversaw strategic planning, brand direction, and on-ground event execution across all festival verticals.

Design Head- TEDxIITHyderabad (10th Edition)

- Led branding, stage visuals, print collateral, web design, and social media strategy for the 10th edition of the event.
- Managed creative execution across multiple event verticals, ensuring visual consistency from all-over.

Design & Branding Coordinator- TEDxIIT Hyderabad (9th Edition)

- Managed end-to-end branding deliverables, ensuring consistent visual identity across all event touchpoints.
- Designed promotional assets for print and digital platforms to drive event outreach and audience engagement.

Design Coordinator - Inter IIT Sports Meet

- Designed social media deliverables to support event promotion and real-time audience engagement.
- Led merchandise design for the event, translating brand identity into wearable and promotional items.

PROJECTS

Digital Intelligence System for IITH Advancement

Redesigned the ERP Portal for IIT Hyderabad to simplify administrative workflows for faculty and staff. The project focused on improving information architecture, navigation, and usability across multiple institutional modules.

Agentic Finance Assistant for MSMEs | Second Semester Project (Ongoing)

Designed and built an agentic AI platform for Indian MSMEs owners, tackling the tension between digital payment adoption and GST compliance fears; spans a customer-facing owner experience and an accountant-facing enterprise dashboard, end-to-end from research through UX/UI to functional build.

Loopin Circular Waste Management Platform for Commercial Kitchens

Designed a B2B SaaS platform connecting commercial kitchens with waste collection and recycling partners. The product streamlines waste tracking, pickup scheduling, and sustainability reporting while enabling organizations to monitor operational efficiency and environmental impact.

Aligning Business Goals with Design Values Exploring Strategy and Sustainable Design | First Sem Project

A strategic design research project examining how organizations can achieve commercial success while preserving user experience, ethical practices, and sustainability. The work synthesizes business frameworks, design principles, and industry case studies into actionable strategic recommendations.
