Sri Chaitanya School	Class X (Board Of Secondary Education Telangana State)	2021	10.00%

WORK EXPERIENCE

Product Management Intern | Equal AI

Consumer AI call-assistant platform serving **450K DAU, 2M MAU and 5M+ registered users** across Android & iOS in India.

Assistant Health Check: Reliability & User Research

- As **64% of call-forwarding attempts failed**, analyzed user behavior and **150+ user conversations** to identify setup and permission issues.
- Designed and shipped **Assistant Health Check** for **100K+ weekly users**, proactively diagnosing failures across **250K+ weekly triggers**.
- Reduced call-forwarding failure rate from **64% 55%** by addressing setup and permission failures proactively.

What's New: Feature Discovery

- As new features suffered from poor discoverability, analyzed behavior across **450K DAU** to identify feature-awareness gaps.
- Designed and launched **What's New**, surfacing **7 new features** at app open to improve feature discovery.
- Drove **55% interaction and 20% feature exploration**, increasing new-feature discovery by **18%**.

Monetization, UX & Account Management

- With **10K+ paid users**, analyzed paywalls and subscription flows to identify funnel friction and monetization edge cases.
- **Designed and iterated iOS onboarding through 25+ UX iterations**, collaborating with Design & Engineering to refine user journeys.
- Owned **Delete Account, Logout and Relogin** while automating call-forwarding cleanup, reducing **third-party costs by ~10%**.

Product Analytics & Feature Ownership

- **Owned 8 of 16 Android & iOS features**, spanning **PRDs, UI/UX, development, QA and post-launch analysis**.
- Implemented and validated **260+ tracking events** and conducted **8+ product analyses**, uncovering silent tracking bugs and failure states.
- Partnered with **Product, Engineering & Design** on feature launches, edge-case validation and **Phase 2 improvements**.

POSITIONS OF RESPONSIBILITY

Internship Manager | Office of Career Services, IITH

- **Owned internships for 600+ students**, managing **250+ offers across 70+ companies** and **250+ volunteers**.
- **Drove 5,000+ company outreaches**, converting **100+ companies** and expanding internship opportunities.
- **Launched IITH's first structured M.Tech internship program**, organizing **4 events with 84 companies**.
- **Redesigned internship operations**, developing **internship & alumni policies** and standardizing workflows.

Finance & Partnerships Head | TEDxIIT Hyderabad

- **Led Finance & Partnerships across 6 domains**, coordinating **160+ members** and managing a **15L sponsorship portfolio**.
- **Drove outreach to 2,000+ companies**, securing sponsors through **partnership negotiations and MoU development**.
- **Launched 2 new revenue streams beyond sponsorships**, expanding the event's **monetization base**.

PROJECTS

AI-Powered Customer Context & Feedback Intelligence

- Built an **AI customer context layer** processing **~3,000 monthly support interactions** across **10+ feedback categories**.
- **Automated support query classification and AI-driven responses**, creating a centralized feedback database for product teams.
- Developed **behavior-based user segmentation and AI-led WhatsApp outreach**, automating interviews at scale.
- Combined **user conversations with product usage data** to surface **20+ pain points and feature opportunities** for roadmap decisions.

Neptune G1 -- 0-to-1 Product Development

- **Led discovery with 7 gastroenterologists** across leading Delhi hospitals to identify **unmet diagnostic needs**.
- **Refined target segments, user pain points & product proposition** using customer insights and market research.
- **Owned 01 product strategy**, defining **requirements, feature priorities, workflows & POCMVP roadmap**.
- **Designed B2B2C GTM & monetization**, evaluating **clinic/direct-user segments** and **3-tier subscription pricing**.

SKILLS

- **Product Management:** Product Discovery, User Research, PRDs, Journey Mapping, Prioritisation, Feature Ownership.
- **Product Analytics:** Funnel Analysis, Cohort Retention, DAU/MAU, Segmentation, Feature Impact, North Star Metrics.
- **Technical & Execution:** Feature Flags, Statsig, Instrumentation, Event Tracking, QA, Edge-Case Analysis, Feature Rollouts.
- **Strategy & Growth:** Competitor Benchmarking, Monetization, Stakeholder Management, Cross-Functional Delivery, Process Optimisation.

EXTRACURRICULAR

- Actively contributed to social outreach programs focused on education, cleanliness drives, and community development initiatives.**(NSS)**
- Participated in structured athletic training and sports activities promoting fitness, discipline, and team spirit.**(NSO)**
- Volunteered across **college clubs & events**, including **community service with Support Wings**, a youth-led NGO.
