SKILLS

- **Technical & Data:** SQL, Python, C, Verilog.
- **Management Skills:** Cross-Functional Collaboration, Strategic Analysis, Data Analysis, Structured Problem Solving, negotiation, presentation and Time management.
- **Software Tools :** Microsoft Word, Excel and Powerpoint, SolidEdge and canva.
- **Languages:** English, Hindi, Telugu, Japanese

RELEVANT COURSES

Electrical courses: Circuit and Network Analysis, Digital Fabrication, Digital Systems, Energy Management, Signals and Systems, Probability and Statistics, Digital Systems and Computer Architecture

Management courses: Fundamentals and Organizational Structure, Human Resources and Leadership, Psychology of Interpersonal Relationships

Computer Science: Intro to C prgramming

PROJECTS

100 MOD Counter | Digital Electronics Project

- Designed and implemented a **MOD-100 counter** using fundamental digital logic blocks, enabling sequential counting from **0 to 99** with automatic reset to 0.
- Integrated **flip-flops, logic gates, and combinational logic** to design the counting and reset mechanism for accurate state transitions.
- Developed the counter using cascaded **MOD-10 stages** to represent the units and tens digits, achieving 100 distinct counting states.
- Verified the **counting sequence, clock synchronization, and reset operation** to ensure reliable and consistent circuit performance.

Legends of Aether Product Team | Product Management Project

- completed a Product Management project, gaining practical exposure to product strategy and decision-making.
- Evaluated key performance indicators (KPIs) and selected relevant metrics to address business questions for a strategy RPG mobile game.
- Prioritized player insights to inform product development, marketing, and leadership decisions
- Developed a structured project plan for creating a data-driven stakeholder presentation, strengthening skills in strategic planning and stakeholder management.

EAB GenAI for Proposal Generation Project

- Completed a GenAI-focused project, gaining practical experience in proposal development, strategic research, and stakeholder-focused communication.
- Used GenAI tools such as ChatGPT to draft and iteratively refine a university partnership proposal aligned with institutional priorities and stakeholder needs.
- Translated client discovery insights into customized, outcomes-focused proposal content, incorporating phased implementation, ROI framing, and value-selling principles.
- Applied GenAI and structured problem-solving to develop persuasive, client-focused business proposals.

EXTRACURRICULAR

State-Level Karate Champion: Won a **Gold Medal** in state-level Karate competition.

State-Level Debate: Represented the school at state-level debate competition and secured **3rd Place.**

State-Level Kho-Kho: Represented the team at the TSWREIS Society state-level games and finished as **Runner-Up**.

1st Place -- Volleyball: Secured first place at **ELAN, IIT Hyderabad**.

1st Place -- Campus Kabaddi: Secured first place in the campus Kabaddi competition at IIT Hyderabad.

2nd Place -- Institute Volleyball League: Secured second place in the IIT Hyderabad Institute Volleyball League.

3rd Place -- Weightlifting: Secured third place in the Weightlifting competition at **MILAN, IIT Hyderabad**.
