EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2027	8.94
AMRITA VIDYALAYAM	Class XII (CBSE)	2023	95.00%
AMRIT VIDYALAYAM	Class X (CBSE)	2021	90.80%

EXPERIENCE

Data Scientist Intern | Country Delight -- *May'26-July'26*

- Built and deployed 4 end-to-end ML/DL models across customer analytics, computer vision, and OCR -- from feature engineering through production deployment.
- Automated manual review workflows into scheduled pipelines using AWS Redshift/S3 and parallelized inference, cutting manual effort.
- Benchmarked existing models, iterated on production feedback, and presented validation results to stakeholders.

PROJECTS

Customer Activation Prediction Model | *Python, XGBoost, SHAP*

- Built an XGBoost-based activation prediction model to identify which newly onboarded customers would remain active post-incentives, achieving **78.6% accuracy and 76.9% AUC** on validation across 22,700+ customers.
- Engineered 17 behavioral features (recency, VIP status, offer engagement, complaint history) and added SHAP explainability to drive targeted retention marketing.

Complaint Image / Label Classification Model | *PyTorch, EfficientNet-B0*

- Built a PyTorch + EfficientNet-B0 image classification pipeline to auto-validate complaint images as Valid/Invalid, improving accuracy from **84.8% to 94.4%**.
- Automated the end-to-end pipeline pulling data from Redshift/S3 with parallelized inference (ThreadPoolExecutor), cutting manual review effort.

OCR Model | *PaddleOCR*

- Built two PaddleOCR-based text extraction pipelines (manual region selection and automatic region detection) for price tag/label digitization, benchmarking Classic PaddleOCR vs. PaddleOCR-VL for accuracy.
- Integrated Claude LLM post-processing to clean and reconstruct fragmented OCR output.

AI-Powered Agentic RAG Knowledge Assistant | *Python, LangChain, Google Gemini, ChromaDB*

- Developed an agentic RAG system that dynamically plans retrieval, generates multiple search queries, performs hybrid semantic-keyword retrieval, and applies CrossEncoder reranking for relevant context selection.
- Built a grounded response pipeline with metadata filtering, source attribution, and "insufficient context" safeguards for reliable domain-specific question answering.

POSITIONS OF RESPONSIBILITY

Ideation & Operations Head | Alumni Cell, IIT Hyderabad -- *July'24-May'26*

- Lead a team of 8, driving planning and execution of alumni engagement initiatives from ideation to delivery.
- Managed backstage workflows and cross-team coordination to ensure seamless event execution.

Content Coordinator | Sunshine (Counselling Cell), IIT Hyderabad -- *Aug'24-May'25*

- Created and curated promotional content for official event communications and email outreach.
- Collaborated with the newsletter team on editorial initiatives to boost audience engagement.

SKILLS

Languages: Python, C, SQL, HTML, CSS

ML Frameworks & Libraries: PyTorch, Scikit-learn, Pandas, NumPy, Matplotlib, Seaborn

Tools & Technologies: AWS S3, Redshift, Kaggle, Git/GitHub/Bitbucket, MySQL, Linux, Excel

RELEVANT COURSES

Certifications:

Supervised Machine Learning: Regression and Classification, DeepLearning.AI & Stanford University(Coursera)

Generative Models for Developers: Infosys Limited, Completed June 15, 2025

Consulting, Product Management & Business Analytics: Consulting & Analytics Club, IIT Guwahati

Courses:

Mathematics: Probability, Linear Algebra, Differential Equations, Maths for Physics, Calculus I & II

Computer Science: Data Structures and Applications, Numerical and Computational Chemistry

Artificial Intelligence: Machine Learning in Bioinformatics, Machine Learning Chemistry

SCHOLASTIC ACHIEVEMENTS

- Received a Certificate of Appreciation from IIT Hyderabad for outstanding academic performance among Third-Year B.Tech. Industrial Chemistry students (2023 Batch).

EXTRACURRICULAR

- Athletics: Represented school in inter-school relay competition, demonstrating teamwork, speed, and coordination in a competitive athletic setting
- Drawing : Explore sketching as a creative outlet, often capturing nature and everyday moments for personal satisfaction
- NSS Volunteer: Actively participated as an NSS volunteer in the Swachhata Hi Seva campaign at IIT Hyderabad, contributing to a national initiative under the Swachh Bharat Mission to promote cleanliness and environmental sustainability.
