POSITIONS OF RESPONSIBILITY

Accommodation Head | *ServDes'25- International Service Design & Innovation Conference, IIT Hyderabad*

- Led the accommodation team for **300+ national and international delegates**, coordinating guest stays, room allocations, and hospitality logistics to ensure a seamless conference experience.
- Collaborated with organizing committees and campus administration to streamline accommodation workflows, resolve participant queries, and optimize on-campus service operations.
- Designed and managed attendee communication, accommodation documentation, and check-in processes, enhancing the overall user experience through efficient information flow.
- Contributed to the successful execution of **ServDes'25**, India's first edition of the international **Service Design & Innovation Conference**, bringing together global researchers, practitioners, students, and industry leaders through keynotes, workshops, exhibitions, and design competitions.

Core Member | *RangDeManch - Dramatics & Speaking Arts Club, IIT Hyderabad*

- Actively performed in theatre productions while contributing to the creative development of **scripts, storytelling,** and **audience engagement** across multiple club initiatives.
- Designed **visual assets, promotional content, and event branding**, supporting the club's identity and communication for workshops, auditions, performances, and cultural events.
- Collaborated with a multidisciplinary team to plan and execute theatre productions, assisting with **stage aesthetics, event coordination, and creative direction**.
- Represented **IITH** at **Inter IIT Cultural Meet 7.0** and **8.0**, contributing to productions that secured **8th Position in Street Play** and **4th Position in Mime.**

PROJECTS

Versova Beach | *UX/UI Design & Branding*

- Designed a **high-fidelity, fully prototyped website** for Versova Beach, promoting sustainable tourism while highlighting the local fishing community and environmental concerns through a user-centric digital experience.
- Developed the complete **brand identity**, information architecture, and responsive UI, including logo design, visual

system, user flows, wireframes, and interactive prototypes.
- Designed key features such as an **interactive beach map, gallery, weather updates, local food guide, activities, blogs, directions, and emergency contacts** to create a comprehensive visitor experience.

Sindh Mini Bites | *Brand Identity & Packaging Design*

- Developed the complete **brand identity** for *Sindh Mini Bites*, a packaged food brand aimed at making authentic Sindhi delicacies more accessible while celebrating the region's rich culinary heritage.
- Designed a cohesive **visual identity system**, including logo, color palette, typography, traditional Sindhi inspired patterns, merchandise, and culturally rooted packaging graphics.
- Created premium **packaging concepts and brand applications** that blend modern aesthetics with traditional motifs to establish a distinctive and memorable consumer experience.

KRYA | *Product Design, Branding & Packaging*

- Conceptualized **KRYA**, a DIY crochet kit brand that makes creative crochet projects accessible through beginner-friendly, all-in-one kits inspired by the simplicity of LEGO-style experiences.
- Designed the complete **brand identity**, including **logo, color palette, packaging system, illustrations**, and a playful **visual language** designed for first-time makers.
- Developed a scalable **product ecosystem**, where each kit features a unique crochet pattern, step-by-step tutorial, and all required materials, creating an engaging and market-ready craft experience.

EXTRACURRICULAR

National Roller Skating Player (3 times) | Age Category (10 to 12 Years)

- Represented at the **National Level Roller Skating Competitions** on three occasions in the 10 to 12 years age category.
