SKILLS

UX & Product Design

Interaction Design · User Interface Design · UX Research & Insights · Experience Design · Product & Systems Design · Cross-Platform Usability

Visual & Communication Design

Visual Design · Brand Identity & Systems · Design Systems · Story-Driven Design · Multidisciplinary Design

Collaboration

Stakeholder Collaboration · Teamwork · Problem Solving · Communication · Empathy · Initiative

EXPERIENCE

Siemens Healthineers -- Technical Intern (UX)

Bengaluru | May 2026 - July 2026

- Planned stakeholder workshops and supporting collaterals for **hospital workflow optimization and stakeholder research**.
- Redesigned an internal **SharePoint platform** to improve information structure and usability.
- Developed **experience-center storyboards and visitor journey concepts**.
- Created ecosystem frameworks and visual communication assets including **posters, standees, leaflets, and event collaterals** for marketing and innovation initiatives.

Tata Elxsi -- UI/UX Intern

Bengaluru | September 2024 - June 2025

- Contributed to the redesign and refinement of a **large-scale OTT platform** across two major phases, focusing on user journeys, feature enhancements, and visual design.
- Improved usability, accessibility, and cross-platform navigation for a **self-care application**.
- Supported the development of a **scalable design system and brand kit** for consistency across digital products.
- Created high-fidelity UI designs and collaborated with development teams during **design handoff**.
- Participated in design sprints, brainstorming sessions, workshops, and iterative design cycles.
- Worked on a confidential internal initiative, developing intuitive UI/UX solutions within a fast-paced team.

Tata Elxsi -- Service Design Intern

Bengaluru | May 2024 - September 2024

- Worked on **airport signage and wayfinding systems**, focusing on visual language and passenger navigation.
- Designed artworks and layouts aligned with the **passenger journey and airport brand identity**.
- Conducted user research to support improvements in passenger flow and signage effectiveness.
- Facilitated a **service design and persona-building workshop** exploring traveler needs across multiple airport touchpoints.

Cardiac Design Labs -- UI/Graphic Design Intern

Bengaluru | May 2023 - July 2023

- Designed end-to-end interfaces for **health-monitoring devices**, focusing on usability and clarity.
- Created a comprehensive **product instruction manual** supporting onboarding and product usage.
- Contributed to early-stage product ideation, aligning design goals with user needs and functionality.

SELECTED PROJECTS

My Brain Said So

Visual Communication & Branding | 2025

Designed a multi-touchpoint campus campaign that normalizes **cognitive distortions** and encourages students to recognize and reframe distorted thinking in everyday situations.

Enhancing Urban Commutes

UX & Predictive Navigation | 2025

Created an **AI-powered mobility system** for safer commutes using real-time hazard detection and intelligent routing.

Sahaya AI

Conversational UX for Healthcare | 2024

Designed a **voice-driven healthcare chatbot** to streamline medical documentation and improve doctor-patient communication.

City Hunter

Game & Character Design | 2023

Built a quirky game world with **unique characters and story-driven gameplay**, exploring interaction through narrative and game mechanics.

The Weather is Getting Weird

Graphic Zine & Poster | 2023

Used bold visual storytelling to explore **climate change through a child's perspective**.

Delhi Olympics 2036

Branding | 2023

Developed a speculative identity combining **modern and culturally rooted visual motifs** to represent India on a global stage.

LEADERSHIP & RESPONSIBILITY

Head of Public Relations & Outreach -- Ayaam 2026

Department of Design, IIT Hyderabad | Jan 2026 - Apr 2026

Designer -- PES MUN Society

PES University | Jan 2023 - Oct 2024

Head of Design -- WEAL

PES University | Apr 2023 - Sep 2024

Designer -- WEAL

PES University | *Jan 2022 - Sep 2024*

Social Media Head -- Design Santhe 2023

PES University | *Oct 2023 - Jan 2024*

HONORS & ACHIEVEMENTS

All India Rank 9 -- NID Digital Game Design | Open Category

All India Rank 32 -- NIFT Entrance Examination | Open Category

iGNITE '22 -- Top 10, Global Shortlisted Candidate

Brandefineit, PES University -- Top 10, Final Round Qualifier, 2022

Figmania, PES University -- Top 5, Final Round Qualifier, 2022
