EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2027	9.77
Amity International School Noida	Class XII (CBSE)	2019	92.20%
Amity International School Noida	Class X (CBSE)	2017	10.00%

EXPERIENCE

Student Researcher and Investigator : JICA Japan's FRIENDSHIP 2.0 Fellowship Project

(June 2026 - Present)

- **Selected** from **70+ M.Des students and PhD scholars** for the JICA FRIENDSHIP 2.0 research **fellowship and exchange in Japan.**
- Conducting **cross-cultural user research** to translate **cultural insights** into **interactive and AR-enabled** learning experiences.
- Developing **visual systems and interaction concepts** for communicating Japanese **culture to young learners aged 9-14 years.**

UI/ UX Core: Lambda (Software Development team at IIT Hyderabad)

(July 2026 - Present)

Contributing to the **design** of **campus digital products** through **UX research, prototyping** and **UI design.**

UX and Branding Intern: Koshiqa (Healthtech Company)

(May 2026 - Present)

- Collaborated with senior designers on **product strategy, translating user insights** and business goals into **product and brand decisions.**
- Designed **information architecture, user flows, wireframes and UI for live workout features for TG of 35+ years**, supporting **AI-enabled product** experiences.
- Extended the experience across **medal kits, merchandise, packaging and brand touchpoints,** contributing to a **10% increase in user engagement.**

Service Designer for Signage and Wayfinding Airport Systems: VersionAbsolute Design Studio

(Aug 2024 - July 2025)

- Designed **wayfinding** and **information systems** for two **Adani international airports**, addressing **accessibility for challenged users, navigation and communication.**
- Applied **systems thinking and information design** across complex **passenger journeys** and multidisciplinary constraints.
- Developed **signage strategy** and pitch concepts for international **airport projects in Saudi Arabia.**

PROJECTS

TS-RTO Service and System Design Project

(April 2026)

- Conducted **on-ground UX research, stakeholder mapping** and **journey analysis** to identify **usability barriers** and **exploitation** within **Telangana's RTO ecosystem.**
- Designed an **end-to-end service ecosystem** comprising a **redesigned website, assistive kiosk** and **low-cognitive-load support system** for **digitally underserved users.**

Kashidari - Branding Project

(Feb-May 2026)

- Conducted **cultural** and **stakeholder research** with a **Kashmiri artisan collective** to define **brand positioning** and **design direction.**
- Built a **scalable visual identity system** across **logo, typography, colour, communication** and **comprehensive brand guidelines.**

Impact of Design on Women's Perception of Safety in Neighborhood Markets - Research Dissertation

(Jan-May 2023)

- Conducted **on-ground UX research with 68 women** across three Noida markets through surveys, interviews, and safety audits to understand perceptions of safety.
- Identified key **user pain points** around poor maintenance, low visibility, concealed routes, lack of surveillance, and low footfall.
- Translated field insights into **design recommendations for safer public environments**

EXPERTISE

UX, Research & Systems Design

Product Thinking, UI/UX Design, User Flows, Wireframing, Interactive Prototyping, UX Research, Usability Testing, Data Analysis & Insight Mapping Accessibility & Inclusive Design Accessibility-first UX, cognitive load reduction, low-tech usability, multilingual considerations, inclusive interaction patterns.

Visual & Brand Design

Design Systems, Branding, Logo Systems, Visual Narratives

Tools & Technology

Figma, Framer, Adobe Illustrator, Photoshop, Indesign, AI Tools for UX Research, Workflow Automation & Data-driven Design, Microsoft PowerPoint & Excel (documentation, stakeholder decks, reporting)

POSITIONS OF RESPONSIBILITY

Placement Coordinator - Office of Career Services IIT Hyderabad

(Aug 2025- Present)

Coordinated **Placement** and **internship** opportunities for M.des and B.des students, **liaising** with **recruiters** and **streamlining placement processes**

Organised Financial Literacy Workshop for Women in SHGs in Rural Telangana

(Aug 2025)

- Organized a two-day financial literacy workshop for **25 women** with interactive sessions on **budgeting, savings, digital banking, debt management,** and **government schemes.**
- Empowered participants to make **informed financial decisions,** and strengthen **financial practice.**
- Gathered **user insights** on **financial behaviors** and challenges to support the design of **inclusive financial experiences.**
