EDUCATION

Institution	Degree / Board	Passing Year	Score / CGPA
Indian Institute of Technology Hyderabad	B.Tech	2027	9.07
National Public School Banashankari	Class XII (CBSE)	2019	75.60%
National Public School Banashankari	Class X (CBSE)	2017	9.40%

WORK EXPERIENCE

Reliance Industries Ltd. | Manager - Refinery Operations (Aug 2023 - Jun 2025)

- Managed hydrotreater operations across **3 shutdown/start-up cycles**, coordinating isolation, purging, inspection and PSSR.
- Developed SOPs and LOPA and updated HIRA for refinery operations.

Medi Assist | Product Intern (May 2026 - Jun 2026)

- Analysed **79,666 AYUSH claims** across 1,834 hospitals, 26 states and 3 insurers over 4.5 years.
- Identified **22.76% rejection, 75% queries, 1.5 queries/claim and 34.84% deductions**.
- Analysed claim trends and documentation gaps, with claim volumes growing **93% from 2022-25**.

Sidvin Core-Tech | Process Engineering Intern (Sep 2022 - Oct 2022)

- Studied FPSO systems covering production, separation, treatment and utility operations.
- Mapped equipment and material flows across integrated offshore production systems.

PROJECTS

FlexiCollect | Design Thinking & Product Development

- Conducted user interviews with students and delivery agents to identify parcel collection pain points.
- Developed personas, problem statements and solution concepts through ideation and prototyping.
- Created an MVP PRD and Figma prototype with prioritized features and user flows.

Zuddha | Entrepreneurial & Business Model Analysis

- Conducted founder interview to analyse venture evolution, customer needs, positioning and growth challenges.
- Applied Effectuation, Opportunity Recognition, BMC, VPC and competitive benchmarking to evaluate the business model.
- Identified key growth drivers and risks across expertise, product quality, networks and financial constraints.

Service to Product Industry Analysis

- Analysed Ayurveda's transition from practitioner-led services to FMCG and wellness products.
- Studied competitive strategies across Dabur, Himalaya, Patanjali and other major players.
- Evaluated D2C, digital health, product innovation and challenges around trust, regulation and clinical validation.

SKILLS

Non-Technical Skills: Product Thinking | Design Thinking | Analytical Thinking | Problem Solving | Strategic Thinking | User Research | Leadership | Stakeholder Management | Event Moderation | Event Management

Technical Skills: Excel | SQL (Basic) | UniSim | Machine Learning (Basic) | AHP-MCDM | LCA | HIRA & LOPA

PATENTS AND PUBLICATIONS

- **Granted Patent:** Indian Patent No. 498716 - *An impervious and non-irritant composition for holding medicated oils.*
- **Published Patent Applications:** 2 patent applications on **anti-obesity food composition** and **cardio-protective composition**.
- **Publications:** Published **3 papers**, including **2 review papers in ECS Transactions** on nanomaterials in fabrics and nano-coatings in textiles, and **1 research article** on the in-vitro antimicrobial analysis of Nalpramadi Taila bath soap.

EXTRACURRICULAR

Tongali Project Competition 2025, IIT Hyderabad | Second Prize Winner

- Developed alternative applications for a hair-care product, exploring pet-care solutions.
- Evaluated value proposition, customer segments, market potential and sales opportunities.

Learn and Nippon 2025 - Suzuki Initiative | Finalist

- Selected as finalist for an entrepreneurship and business immersion program with Japanese exchange students.
- Developed customer traction, sales and marketing strategies for an assigned startup.

Kyoto University - Cross-Cultural Innovation Project

- Collaborated with Kyoto University students to develop implementable solutions for SDG-linked social challenges.
- Worked on circular economy and waste management solutions through cross-cultural teamwork.

Learn In Bharat (LIB) Program 2026 | Next Bharat Ventures

- **Collaborated with Japanese students in a cross-cultural workshop** to identify transportation-related challenges and develop potential solutions through design thinking.

POSITIONS OF RESPONSIBILITY

Head - Stage Coordination & Event Moderator | MSME Tech Connect, IIT Hyderabad

- Headed stage coordination and moderated a 3-day MSME Tech Connect connecting MSMEs with investors.
- Managed event flow, stakeholder coordination and session execution.
